Safety Instruction Guide for MOUNT FOR GLOCK® MOS PISTOLS W/ ACRO & MPS OPTICS

Introduction

Thank you for choosing the Apex Optic Mount for GLOCK® MOS Pistols. This guide provides important safety information, installation instructions, and usage guidelines to ensure your product is used safely and effectively. Please read this document carefully before using the product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the Apex Optic Mount by following all guidelines provided in this manual.
- **Online Shopping:** If purchased online, confirm that the seller meets safety requirements as outlined by the EU General Product Safety Regulation (GPSR).
- **Enhanced Recalls:** Stay informed about product recalls. If a recall is issued, follow the instructions provided.
- **Vulnerable Groups:** This product is not intended for use by children. Ensure that it is kept out of their reach.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by the retailer or manufacturer.

Specific Safety Precautions for Use

- **Installation:** Only install the mount on GLOCK® MOS slides. Ensure compatibility before installation.
- **Cleaning:** Clean the slide thoroughly before installation to ensure a secure fit.
- **Screw Torque:** Use a torque wrench to tighten the mounting screws to 15 inlb. Overtightening may damage the mount or the slide.
- **Inspection:** Regularly inspect the mount and screws for wear or damage. Replace any worn or damaged components immediately.
- **Use:** Always ensure that the optic is securely mounted before operating the firearm.

Instructions for Installation and Usage

1. Preparation:

- Gather necessary tools: torque wrench, cleaning supplies.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Cleaning the Slide:

- Use a suitable cleaner to remove any dirt or oil from the GLOCK® MOS slide.
- Allow the slide to dry completely before proceeding.

3. Mount Installation:

- Align the Apex Optic Mount with the GLOCK® MOS cut on the slide.
- Insert the provided mounting screws into the designated holes.
- Using a torque wrench, tighten the screws to a torque of 15 inlb.

4. Optic Installation:

- Carefully mount the Aimpoint® Acro P1 or P2, or the Steiner MPS onto the Apex Optic Mount.

- Follow the optic manufacturer's instructions for securing the optic to the mount.

5. Final Checks:

- Doublecheck that all screws are tightened and that the optic is securely attached.
- Ensure the firearm is in a safe condition before handling.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product is damaged or no longer in use, follow local electronic waste disposal guidelines to ensure environmentally responsible disposal.

Contact Information for Further Support

For any questions or concerns regarding the Apex Optic Mount, please refer to the retailer or manufacturer's contact information provided at the time of purchase.

By following these safety guidelines and instructions, you can ensure the safe and effective use of the Apex Optic Mount for GLOCK® MOS Pistols. Thank you for your attention to safety.
