[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Hardware](#) > [Handguard Hardware](#)

The Magpul Barricade Stop is a rugged hand stop that allows the shooter to brace their firearm off barricades or field expedient shooting rests to create a stable platform for more accurate shots. The Barricade Stop is constructed of a polymer body and a textured, QPQ ferritic nitrocarburized steel plate insert for confident contact with your shooting rest. The metal plate is slightly curved for optimized contact on uneven surfaces and provides the ability to pivot your firearm while maintaining contact. It is also removable, allowing it to be replaced after wear. One polymer body, a textured metal insert, and 2 sets of M-LOK hardware are included. Compatible with octagonal M-LOK Handguards. Made in the USA. Hybrid Polymer and Metal Construction Replaceable textured steel face Corrosion-resistant metal hardware Dimensions: 1.77L x 1.03W x 1.2H in. (over rail surface)

# Safety Instruction Guide for BARRICADE STOPS MLOK MAGPUL BARRICADE STOP MLOK BLACK

## Introduction

Thank you for choosing the Magpul Barricade Stop. This guide provides essential safety instructions to ensure the safe use of your product. Please read and understand this manual before using the Barricade Stop.

## General Safety Guidelines

- Ensure all users are familiar with the operation and safety features of the Barricade Stop.
- Always treat your firearm as if it is loaded, and follow all firearm safety rules.
- Use the Barricade Stop only as intended, to brace your firearm against barricades or other stable surfaces.
- Inspect the Barricade Stop before each use for any signs of wear or damage.
- Keep the product and all firearms out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not use the Barricade Stop if it is damaged or shows signs of excessive wear.
- Ensure that the Barricade Stop is securely attached to your firearm before use.
- When using the Barricade Stop, ensure that the surface you are bracing against is stable and capable of supporting your firearm.
- Avoid using the Barricade Stop in wet or slippery conditions that may affect stability.
- Always maintain a proper shooting stance and ensure your firearm is pointed in a safe direction when using the Barricade Stop.
- Do not modify the Barricade Stop in any way, as this may compromise its safety and effectiveness.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is unloaded and safe to handle.
- Locate the MLOK slots on your handguard.
- Align the Barricade Stop with the desired MLOK slot.
- Insert the provided MLOK hardware through the Barricade Stop and into the slot.
- Tighten securely using the appropriate tool, ensuring a firm fit without overtightening.

### 2. Usage:

- Position the Barricade Stop against a stable surface (e.g., barricade or shooting rest).
- Place your firearm against the Barricade Stop, ensuring that the metal plate is in contact with the surface.
- Use the Barricade Stop to help stabilize your aim while shooting.
- After use, remove the Barricade Stop if desired for storage or maintenance.

## Disposal Instructions

- Dispose of the Barricade Stop in accordance with local regulations regarding plastic and metal waste.
- If the product is damaged beyond use, ensure it is disposed of in a manner that prevents any potential harm to the environment or individuals.

## **Contact Information for Further Support**

For any inquiries regarding the safety and use of the Barricade Stop, please consult the manufacturer's website or contact your local distributor for assistance. Ensure you have the product details available for a faster response.

Thank you for your attention to these safety instructions. Your safety and the safe use of your firearm are our top priorities.
