# Master Gun Workstation Safety Instruction Guide

## Introduction

Thank you for choosing the Master Gun Workstation by Real Avid. This product is designed to provide a safe and efficient environment for cleaning, scope mounting, and small gunsmithing tasks. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the Master Gun Workstation in a wellventilated area.
- Keep the workstation and surrounding area clean and free from clutter.
- Ensure that all tools and accessories are in good condition before use.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling firearms and cleaning agents.
- Store the workstation and all accessories out of reach of children and pets.
- Do not use the workstation for any purpose other than its intended use.

## Specific Safety Precautions for Use

### • Chemical Safety:

- Use cleaning chemicals in accordance with the manufacturer's instructions.
- Avoid inhaling fumes and ensure proper ventilation.
- Store chemicals in a secure location, away from children and pets.

### • Firearm Handling:

- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Ensure the firearm is unloaded before placing it on the workstation.

### • Tool Safety:

- Use tools for their intended purpose only.
- Inspect tools for damage before use and replace any damaged tools.

### • Workstation Stability:

- Ensure the workstation is placed on a stable, level surface.
- Do not overload the workstation beyond its intended capacity.

## Instructions for Installation and Usage

### 1. Setup:

- Unpack the Master Gun Workstation and ensure all components are included.
- Place the workstation on a stable, flat surface.
- Adjust any movable parts according to the user manual.

### 2. Using the Workstation:

- Secure your firearm in the workstation using the onehanded setup feature.
- Organize cleaning supplies such as chemicals, brushes, and jags in their designated storage areas.

- Follow the instructions for cleaning or mounting scopes as outlined in the user manual.

### **3. PostUse Care:**

- After use, clean the workstation and remove any debris or cleaning materials.
- Store the workstation and tools in a dry, safe location.

## **Disposal Instructions**

- Dispose of any cleaning chemicals according to local regulations.
- When disposing of the workstation, check if it can be recycled. If not, discard it in accordance with local waste disposal guidelines.
- Ensure that all components are disposed of safely to prevent environmental harm.

## **Contact Information for Further Support**

For safety inquiries or further assistance regarding the Master Gun Workstation, please refer to the contact details provided in the product packaging or user manual.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your Master Gun Workstation. Always prioritize safety and report any unsafe conditions or products to the relevant authorities. Thank you for your attention to these important safety measures.
