# Gun Boss Shotgun Cleaning Kit Safety Instruction Guide

## Introduction

Thank you for choosing the Gun Boss Shotgun Cleaning Kit by Real Avid. This comprehensive cleaning system is designed to keep your shotgun in optimal condition. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide. Your safety and satisfaction are our top priorities.

## General Safety Guidelines

- **Product Safety:** Always handle your cleaning kit with care. Ensure you are familiar with all components before use.
- **Online Shopping:** If purchased online, ensure the retailer complies with safety standards.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to the Gun Boss Shotgun Cleaning Kit.
- **Special Consumer Focus:** This product is not intended for use by children. Keep all components out of reach of children.
- **EU Contact Point:** For any safety inquiries, please refer to the manufacturer's contact information provided at the point of purchase.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates regarding product safety.

## Specific Safety Precautions for Use

- **Read Instructions:** Always read the instructions thoroughly before using the cleaning kit.
- **Protective Gear:** Wear protective eyewear and gloves when using cleaning solvents or oils.
- **Ventilation:** Use the cleaning kit in a wellventilated area to avoid inhaling fumes from cleaning products.
- **Avoid Moisture:** Keep the cleaning kit dry. Moisture can damage components and lead to rust.
- **Inspect Components:** Regularly check all brushes, rods, and other components for wear and tear. Replace any damaged parts immediately.
- **Proper Handling:** Handle cleaning rods and brushes carefully to avoid injury. Ensure they are securely attached before use.

## Instructions for Installation and Usage

### • Assembly:

- Open the zippered case and lay out all components.
- Assemble the Thandle and the 7section rod by connecting the sections until they form a 33" rod.
- Ensure all connections are snug and secure.

### • Using the Cleaning Kit:

- Select the appropriate brush or mop for your shotgun gauge (12 GA or 20 GA).
- Attach the chosen brush or mop to the end of the rod.
- Insert the rod into the shotgun bore gently. Do not force it.
- Use a backandforth motion to clean the bore. Avoid twisting the rod excessively.
- After cleaning, remove the brush or mop carefully and clean it with a suitable solvent.
- Store the cleaning kit in a dry place, ensuring all components are organized within the case.

## Disposal Instructions

- **Proper Disposal:** Dispose of any used cleaning patches, brushes, or mops in accordance with local waste disposal regulations.
- **Environmental Considerations:** Do not dispose of cleaning solvents or oils down the drain. Follow local guidelines for hazardous waste disposal.

## Contact Information for Further Support

For any questions or concerns regarding the Gun Boss Shotgun Cleaning Kit, please refer to the manufacturer's contact information provided at the point of purchase.

By following these safety guidelines and instructions, you can ensure a safe and effective cleaning experience with your Gun Boss Shotgun Cleaning Kit. Thank you for your attention to safety!
