Safety Instruction Guide for B5 Systems AR15 P22 Grips

Introduction

Thank you for choosing the B5 Systems Type 22 PGrip for your AR15. This safety instruction guide provides essential information to ensure the safe use, installation, and disposal of your product in compliance with EU General Product Safety Regulation (GPSR). Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Regularly inspect the grip for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the relevant authorities.
- Stay informed about any product recalls via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure your firearm is unloaded before installing or handling the grip.
- Do not use the grip if it shows signs of damage or wear.
- Ensure that the grip is securely attached before using the firearm.
- Be aware of your surroundings and ensure a safe environment when handling firearms.
- Do not modify the grip or firearm in any way that could compromise safety.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing grip from the firearm.
- Align the B5 Systems Type 22 PGrip with the grip mount on the firearm.
- Securely fasten the grip using the provided screws, ensuring it is tight and stable.

2. Usage:

- Hold the grip firmly, ensuring your fingers are placed correctly for optimal trigger index.
- Maintain a proper stance and grip during use to enhance control and safety.
- Regularly check the grip for any looseness or damage during use.

Disposal Instructions

- Dispose of the grip in accordance with local regulations regarding plastic waste.
- If the grip is damaged, consider recycling options for polymer materials where available.
- Do not dispose of the grip in regular household waste if it is contaminated or poses a safety risk.
