[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Lower Receivers](#)

Now you can assemble your own custom SCR® rifle with Fightlight's SCR® Rifle Lower Receiver Assembly! Includes everything that's needed; simply add your choice of AR/M4 Upper Receiver Assembly, Magazine, Bolt, Cam Pin and Firing Pin and you've got it made with no gunsmith required! Through creative engineering and a quest for uncompromising performance, Fightlight's revolutionary SCR® Rifle is in a class of its own and offers easy customization, unforgiving accuracy and all-weather ruggedness. Featuring direct-gas operation, a rotating bolt and a free floated barrel for optimal accuracy; the semi-automatic SCR® blends sporting characteristics with the reliability, ruggedness and weatherproof characteristics of America's longest serving military rifle. Lightweight, powerful and accurate; the SCR® Rifle can be configured with most popular short-action sporting rifle cartridges including 5.56/.223, 7.62x39, 300 BLK, 6.8 SPC, 6mm ARC, 6.5 Grendel, .458 SOCOM, 450 Bushmaster and many others! Manufactured of high strength aerospace alloys and finished with non-reflective, MIL-Spec coatings for maximum corrosion resistance, the SCR® Rifle is designed to perform under the most demanding field conditions including ice, sleet, sand, rain and mud. Accessory friendly, SCR® Rifle Lowers are compatible with many Modern Sporting Rifle parts and accessories including magazines, upper receivers, barrels, bolts, optics and more which significantly reduces a user's logistical requirements for spare parts, accessories and ammunition. Supported with a full line of performance accessories and manufactured in the USA from the highest quality aerospace grade alloys by American craftsman; the high-performance SCR® is guaranteed to provide its owner with a lifetime of accurate and reliable service.

SCR BLACK POLYMER RIFLE LOWER RECEIVER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the SCR Black Polymer Rifle Lower Receiver from Fightlite Industries. This product is designed for assembly with your choice of AR/M4 Upper Receiver Assembly and other components. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that you are of legal age to purchase and own firearms in your jurisdiction.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Store firearms and ammunition securely, out of reach of children and unauthorized persons.
- Regularly inspect your firearm and its components for wear or damage.
- Use only compatible parts and accessories when assembling your rifle.
- Follow all local laws and regulations regarding firearm ownership and assembly.
- In case of any doubt regarding safety or legality, consult a qualified firearms expert or legal professional.

Specific Safety Precautions for Use

- **Personal Protective Equipment:** Always wear appropriate safety gear, including eye protection and hearing protection, when using firearms.
- **Environment:** Use firearms only in designated shooting ranges or safe areas that comply with local laws.
- **Supervision:** Ensure that inexperienced users are supervised by an experienced adult when handling firearms.
- **Ammunition Compatibility:** Only use ammunition that is specified for your rifle configuration to avoid malfunctions or accidents.
- **Maintenance:** Regularly clean and maintain your rifle to ensure proper functioning and safety.
- **Emergency Procedures:** Be familiar with emergency procedures in case of accidents or malfunctions.

Instructions for Installation and Usage

1. Assembly Preparation:

- Gather all necessary components: SCR Lower Receiver, AR/M4 Upper Receiver Assembly, Magazine, Bolt, Cam Pin, and Firing Pin.
- Ensure that your workspace is clean and organized.

2. Assembling the Rifle:

- Carefully align the upper receiver with the lower receiver.
- Insert the takedown pins to secure the upper receiver to the lower receiver.
- Install the bolt and charging handle according to the manufacturer's instructions.
- Ensure that all components are properly seated and secured.

3. Loading the Rifle:

- Insert a compatible magazine into the magazine well until it clicks into place.
- Ensure that the rifle is pointed in a safe direction during loading and unloading.

4. Firing the Rifle:

- Always ensure that the rifle is aimed at a safe target.
- Keep your finger off the trigger until you are ready to fire.
- Follow the specific firing procedures as outlined in the upper receiver's manual.

5. PostUse Procedures:

- Always unload the rifle after use and visually inspect the chamber to ensure it is empty.
- Store the rifle in a secure location.

Disposal Instructions

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- When disposing of the SCR Lower Receiver or any associated components, follow local waste management guidelines.
- Do not dispose of firearms in regular trash; consult local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the SCR Black Polymer Rifle Lower Receiver, or to report any safety issues, please contact the manufacturer directly or refer to your local authorities for guidance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your SCR Black Polymer Rifle Lower Receiver. Always prioritize safety and responsibility in all firearmrelated activities.
