

AR-15 CHROME LINED GOVERNMENT BARREL ASSEMBLIES - BROWNELLS BRN AR-15 5.56 M4 BARREL GROUP 14.7" 1-7 TWIST, CARBINE GAS

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Brownells Government Barrel Assemblies – Chrome Lined and Individually Inspected The Brownells Government Barrel Assemblies are manufactured by a US Government Contractor for M4 barrels, and held to exacting standards. These barrels all feature a hard chrome bore, applied over button rifling. Each barrel is High Pressure Tested, followed by Magnetic Particle Inspection & Gauging to ensure there are absolutely zero imperfections. Assemblies are as ready-to-install as possible, with slip ring assembly, F-Marked front sight base and handguard cap pre-installed. Handguard caps are appropriate for the barrel length, with M4 Carbine assemblies featuring a round cap, and the rifle length featuring the proper triangle. Barrel material is 4150 chrome moly steel. 5.56x45mm chamber and 1-7 twist will ensure acceptance and desired performance with 62 grain and greater bullets. Barrels are all marked: "5.56x45mm NATO MFR 12238 MP HP 1-7".

Safety Instruction Guide for AR15 Chrome Lined Government Barrel Assemblies

Introduction

Thank you for choosing the Brownells AR15 Chrome Lined Government Barrel Assembly. This guide provides essential safety instructions and information for the proper use, installation, and disposal of the product. Please read this guide carefully to ensure safe and effective use.

General Safety Guidelines

To ensure your safety and the safety of others while using this product, please adhere to the following guidelines:

- Always handle firearms and related components with care and respect.
- Ensure that the barrel assembly is compatible with your firearm before installation.
- Follow all local laws and regulations regarding the use and ownership of firearms.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the barrel assembly for signs of wear or damage.
- Do not attempt to modify or alter the barrel assembly in any way.
- Use appropriate protective gear, such as safety glasses and hearing protection, when handling firearms.

Specific Safety Precautions for Use

When using the Brownells AR15 Chrome Lined Government Barrel Assembly, please observe the following precautions:

- Always ensure that the firearm is unloaded before installation or maintenance.
- Use only the recommended ammunition type (5.56x45mm NATO) for this barrel assembly.
- Be aware of the barrel twist rate (17) and its implications for bullet selection.
- Ensure that the gas system length is appropriate for your firearm configuration.
- Do not exceed the manufacturer's specifications for pressure and ammunition type.
- In case of any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Proper installation and usage are critical for the safe operation of the barrel assembly. Follow these steps:

Installation

1. Preparation:

- Ensure that your workspace is clean and free of distractions.
- Gather all necessary tools, including a barrel nut wrench and torque wrench.

2. Remove Old Barrel:

- Unload the firearm and ensure it is safe to work on.
- Remove the existing barrel from the upper receiver following the manufacturer's instructions.

3. Install New Barrel:

- Place the new barrel into the upper receiver.
- Secure the barrel using the barrel nut, ensuring it is torqued to the manufacturer's specifications.

- Install the preinstalled FMarked front sight base and handguard cap.

4. Final Checks:

- Inspect the installation for proper alignment and secure fit.
- Ensure that all components are correctly installed and functioning.

Usage

- Load the firearm only when ready to shoot.
- Always point the firearm in a safe direction.
- Follow safe shooting practices at all times.
- Be aware of your surroundings and ensure a clear shooting area.

Disposal Instructions

When it is time to dispose of the barrel assembly or any related components, please follow these guidelines:

- Dispose of the barrel assembly according to local regulations regarding hazardous materials.
- If the barrel assembly is damaged or no longer usable, contact a qualified gunsmith for proper disposal.
- Do not throw the barrel assembly in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product support, please refer to the manufacturer's website or contact your local firearms dealer. It is essential to have a reliable source of information when handling firearms and their components.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Brownells AR15 Chrome Lined Government Barrel Assembly. Always prioritize safety and responsibility when handling firearms.
