[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Brownells Government Barrel Assemblies – Chrome Lined and Individually Inspected The Brownells Government Barrel Assemblies are manufactured by a US Government Contractor for M4 barrels, and held to exacting standards. These barrels all feature a hard chrome bore, applied over button rifling. Each barrel is High Pressure Tested, followed by Magnetic Particle Inspection & Gauging to ensure there are absolutely zero imperfections. Assemblies are as ready-to-install as possible, with slip ring assembly, F-Marked front sight base and handguard cap pre-installed. Handguard caps are appropriate for the barrel length, with M4 Carbine assemblies featuring a round cap, and the rifle length featuring the proper triangle. Barrel material is 4150 chrome moly steel. 5.56x45mm chamber and 1-7 twist will ensure acceptance and desired performance with 62 grain and greater bullets. Barrels are all marked: "5.56x45mm NATO MFR 12238 MP HP 1-7".

Consumer Safety Instruction Guide for AR15 Chrome Lined Government Barrel Assemblies

Introduction

Thank you for choosing the AR15 Chrome Lined Government Barrel Assemblies from Brownells. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your product. Please read this document carefully before using the barrel assembly.

General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding the use and ownership of firearms and firearm components.
- Always treat every firearm as if it is loaded. Handle with care and ensure that the firearm is pointed in a safe direction.
- Store the barrel assembly and all firearm components securely and out of reach of children and unauthorized users.
- Inspect the barrel assembly for any signs of damage or wear before installation and use.
- Use only compatible parts and accessories with your barrel assembly to ensure safe operation.
- Always wear appropriate safety gear, including eye protection, when handling firearms.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may result in firearm malfunction or injury.
- Using incorrect ammunition may cause damage to the firearm or injury to the user.
- Failure to properly clean and maintain the barrel may lead to dangerous buildup and performance issues.

- **Avoiding Hazards:**

- Always follow the manufacturer's instructions for installation and maintenance.
- Use only ammunition that is marked for use with 5.56 x 45 caliber firearms.
- Regularly clean the barrel assembly and inspect it for any signs of wear or damage.

- **Age Specific Warnings:**

- This product is intended for use by individuals who are 18 years of age or older. Ensure that younger individuals are supervised by a responsible adult when handling firearms.

Instructions for Installation and Usage

- **Installation Steps:**

1. Ensure that the firearm is unloaded and pointed in a safe direction.
2. Remove the existing barrel assembly according to the firearm's manual.
3. Align the new barrel assembly with the receiver, ensuring proper fit.
4. Secure the barrel assembly using the appropriate tools and follow the torque specifications provided in the firearm's manual.
5. Install the handguard cap and front sight base as needed.
6. Doublecheck all components to ensure they are securely fastened.

- **Usage Guidelines:**

- Before firing, conduct a function check of the firearm to ensure proper operation.
- Maintain a safe distance from others when firing.
- Be aware of your surroundings and ensure that you have a safe backstop when shooting.

Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- If the barrel assembly becomes damaged beyond repair, follow local laws for disposal of firearm components.
- Do not attempt to modify or alter the barrel assembly in any way that could compromise safety.

Contact Information for Further Support

For any safety inquiries or concerns regarding the AR15 Chrome Lined Government Barrel Assemblies, please refer to the manufacturer's website or customer support resources. It is important to stay informed about product recalls and safety updates. You can check for recall updates on the EU's Safety Gate platform.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on responsible handling and use of your firearm components.
