[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

Dependability on Match Day or Everyday

ETS translucent polymer magazines pair OE reliability with lightweight performance polymer construction for your Glock 19 and 26. The translucent magazine bodies also enable you to immediately see whether a magazine is loaded or not. ETS translucent polymer magazines are compatible with Gen 1 - Gen 4 Glocks. The 10-round capacity is ideal for competition and for concealed carry where local laws prohibit large capacity magazines. Easy disassembly with specially designed base plate Compatible with Glock, as well as aftermarket floorplates Creep resistant - feed lips and body won't spread when stored, even when loaded ETS translucent polymer magazines will ensure you have a reload when you need it.

Safety Instruction Guide for MODEL 19 9MM 10RD MAGAZINE FOR GLOCK® ELITE TACTICAL SYSTEMS GROUP

Introduction

Thank you for choosing the MODEL 19 9MM 10RD MAGAZINE FOR GLOCK® from ELITE TACTICAL SYSTEMS GROUP. This safety instruction guide is designed to provide you with essential information regarding the safe use, installation, and disposal of this product. Please read this guide carefully to ensure your safety and the safety of others.

General Safety Guidelines

- Always treat every firearm and magazine as if it is loaded.
- Ensure that the magazine is compatible with your Glock model (19 or 26).
- Use only 9mm Luger cartridges with this magazine.
- Store magazines in a cool, dry place away from direct sunlight.
- Regularly inspect the magazine for any signs of wear or damage before use.
- Keep magazines out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding magazine capacity and usage.

Specific Safety Precautions for Use

- Do not attempt to disassemble or modify the magazine unless instructed to do so in this guide.
- Avoid exposing the magazine to harsh chemicals or extreme temperatures.
- Ensure that the magazine is properly seated in the firearm before attempting to fire.
- Do not overload the magazine beyond its 10round capacity.
- If you experience feeding issues, cease use immediately and inspect the magazine.
- In case of a malfunction, follow the manufacturer's instructions for clearing the firearm safely.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before installing the magazine.
- Align the magazine with the magazine well of your Glock model (19 or 26).
- Push the magazine firmly into the magazine well until it clicks into place.

2. Usage:

- Load the magazine by pressing the cartridges down into the magazine body.
- Ensure that cartridges are seated properly and do not exceed the 10round capacity.
- Insert the loaded magazine into the firearm as described in the installation section.
- Always check that the magazine is securely attached before handling the firearm.

3. Disassembly:

- To disassemble, remove the magazine from the firearm.
- Use a tool to press the specially designed base plate to release the magazine body.
- Carefully remove the follower and spring for cleaning or inspection.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations regarding plastic waste.
- Do not incinerate the magazine, as it may release harmful substances.
- If the magazine is damaged or no longer functional, consider recycling options where available.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MODEL 19 9MM 10RD MAGAZINE FOR GLOCK®, please refer to the information provided by the manufacturer or consult local regulations. Always ensure you have the latest updates on safety and recalls through official channels.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your MODEL 19 9MM 10RD MAGAZINE FOR GLOCK®. Thank you for your attention to safety.
