Safety Instruction Guide for SLIDE PARTS KIT FOR GLOCK 19®

Introduction

Thank you for choosing the SLIDE PARTS KIT FOR GLOCK 19® by BROWNELLS. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your product. Please read this document carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms and firearm components with care.
- Keep the product out of reach of children and unauthorized users.
- Inspect all parts for damage before use. Do not use damaged components.
- Follow all local laws and regulations regarding firearms and accessories.
- Store the product in a safe, secure place when not in use.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling or installing firearm components.
- Do not attempt to modify or alter any parts in the kit, as this may compromise safety and functionality.
- Ensure that the firearm is unloaded before beginning any installation or maintenance work.
- Be cautious of sharp edges on parts, and handle them carefully to avoid cuts or injuries.
- Follow the manufacturer's instructions for proper installation and usage to prevent malfunctions.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and components from the kit.
- Ensure you have a clean, welllit workspace.

2. Installation Steps

- **Extractor Installation**
 - Remove the old extractor if applicable.
 - Install the new extractor by aligning it properly in the slide.
- **Firing Pin Installation**
 - Carefully insert the billet firing pin into the slide.
 - Ensure it is seated correctly for optimal function.
- **Depressor Plunger and Spring Installation**
 - Install the extractor depressor plunger and spring, ensuring they are in the correct orientation.
- **Channel Liner Installation**
 - Use the channel liner tool to properly install the channel liner.
- **Final Assembly**
 - Reassemble the slide, ensuring all parts are secured and functioning as intended.

3. Testing

- After installation, conduct a thorough inspection to ensure all parts are correctly installed.
- Perform a function check to verify that the firearm operates safely and correctly.

Disposal Instructions

- Dispose of any unused or damaged parts in accordance with local regulations.
- Do not dispose of firearm parts in regular household waste. Contact local authorities for guidance on safe disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the SLIDE PARTS KIT FOR GLOCK 19®, please refer to the manufacturer's website or customer service resources for assistance.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation (GPSR). Enjoy your product responsibly!
