SLIDE PARTS KIT FOR GLOCK 43® Safety Instruction Guide

Introduction

Thank you for choosing the SLIDE PARTS KIT FOR GLOCK 43® by BROWNELLS. This product is designed to enhance the performance and functionality of your Glock 43, 43X, or 48. It is essential to follow the safety instructions outlined in this guide to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that all components are compatible with your specific firearm model.
- Always handle firearms with care and follow all local laws and regulations.
- Keep all parts out of reach of children and unauthorized users.
- Regularly inspect all components for wear or damage before use.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not use the SLIDE PARTS KIT if any components appear damaged or defective.
- Always wear appropriate safety gear, such as eye protection, when handling or installing firearm parts.
- Ensure the firearm is unloaded and pointed in a safe direction before starting any installation.
- Follow all manufacturer instructions for installation to prevent improper assembly.
- Be aware of potential hazards associated with handling metal parts, including sharp edges and pinch points.

Instructions for Installation and Usage

1. Preparation

- Ensure you have a clean, welllit workspace.
- Gather all necessary tools for installation, including the channel liner tool provided in the kit.

2. Disassembly of the Slide

- Ensure the firearm is unloaded.
- Carefully disassemble the slide according to the manufacturer's instructions.

3. Installing New Parts

- Insert the channel liner using the provided tool.
- Install the extractor and ensure it is seated correctly.
- Place the extractor depressor plunger and spring into position.
- Install the firing pin and ensure it is secured properly.
- Follow the same steps for all other parts included in the kit, ensuring each component is fitted correctly.

4. Reassembly of the Slide

- Once all parts are installed, carefully reassemble the slide.
- Ensure that all components move freely and are correctly aligned.

5. Final Inspection

- Inspect the assembled slide for any misalignments or improper fittings.
- Test the functionality of the slide by cycling it without ammunition.

6. Usage

- After installation, only use the firearm with compatible ammunition.
- Regularly check the functionality of the installed parts during routine maintenance.

Disposal Instructions

- Dispose of any unused or damaged parts in accordance with local regulations.
- Do not dispose of firearm components in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the SLIDE PARTS KIT FOR GLOCK 43®, please refer to the manufacturer's contact information provided with your purchase.

By following these safety instructions, you can ensure a safe and effective use of the SLIDE PARTS KIT FOR GLOCK 43®. Thank you for your attention to safety and compliance.
