

# SPRINGFIELD ARMORY HELLCAT PRO BARRELS - TRUE PRECISION HELLCAT PRO 3.7" THREADED BARREL 1/2"X28 STAINLESS STEEL

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

Easy to install drop-in design for the Hellcat Pro 9mm 3.7" Pistol. Not for the standard 3.1" Hellcat. Threaded version is notched for the Hellcat RDP Comp and will also work with most aftermarket mini and micro comps in 1/2x28. Threaded barrels include thread protector with tension lock o-ring. Advanced proprietary broach cut design specifically engineered for increased accuracy potential. Broach cut 6 groove rifling allows for all ammo types to be used safely, including cast lead. 100% Designed and manufactured in the USA with USA sourced certified 416R stainless steel. 9mm 1/10RH twist rifling. SAAMI spec chamber. Improved overall fit from OEM with added chamfers and improved radius cuts Assorted specialty coatings and finishes to choose from. Lifetime performance warranty on function.

# Safety Instruction Guide for Springfield Armory Hellcat Pro Barrels by True Precision

## Introduction

Thank you for purchasing the Springfield Armory Hellcat Pro Barrels by True Precision. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new barrel. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Always handle firearms and firearm accessories with care.
- Ensure that you are familiar with the laws and regulations regarding firearms in your area.
- Keep all firearms and accessories out of reach of children and unauthorized users.
- Inspect the barrel and all components for any damage before installation or use.
- Use only compatible parts and accessories with your firearm to avoid hazards.
- Follow all manufacturer instructions and guidelines when using your firearm.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or removing the barrel.
- Always wear appropriate eye and ear protection when handling firearms.
- Do not attempt to modify the barrel or any other firearm components.
- Be aware of your surroundings and ensure a safe environment when using your firearm.
- If you experience any malfunctions or issues with the barrel, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation Instructions:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel from the firearm according to the manufacturer's guidelines.
- Take the True Precision Hellcat Pro 3.7" Threaded Barrel and align it with the barrel housing of the firearm.
- Gently insert the new barrel into the housing until it is fully seated.
- Reassemble the firearm according to the manufacturer's instructions.
- Ensure that the barrel is secure and properly aligned before proceeding.

### 2. Usage Instructions:

- Always verify that the firearm is in good working condition before use.
- Use only 9mm Luger ammunition with the barrel.
- The threaded barrel is compatible with most aftermarket mini and micro compensators in 1/2x28.
- Use the thread protector included with the barrel when not using a compensator.
- Regularly clean and maintain the barrel to ensure optimal performance and safety.

## Disposal Instructions

- Dispose of the barrel and any associated components in accordance with local regulations.
- Do not dispose of firearms or firearm parts in regular household waste.
- Contact local authorities or a licensed firearms dealer for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the Springfield Armory Hellcat Pro Barrels, please refer to the manufacturer's contact information included with your product.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your Springfield Armory Hellcat Pro Barrels by True Precision. Always prioritize safety and adhere to all local laws and regulations regarding firearm use. Thank you for your attention to these important safety measures.
