TOURNIQUET POUCH SAFETY INSTRUCTIONS

Introduction

Thank you for purchasing the Tourniquet Pouch by Grey Ghost Gear. This pouch is designed to securely hold one CAT style tourniquet, ensuring that you are prepared for emergencies. This safety instruction guide provides important information about the safe use, installation, and disposal of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the pouch is used only for its intended purpose – to carry a CAT style tourniquet.
- Regularly inspect the pouch for any signs of damage or wear. Do not use if damaged.
- Keep the pouch out of reach of children when not in use.
- If you experience any issues or concerns regarding the product, please report them to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the pouch with compatible CAT style tourniquets.
- Ensure the tourniquet is properly secured within the pouch to avoid accidental loss or exposure.
- Avoid exposing the pouch to extreme temperatures, moisture, or harsh chemicals, as these may compromise its integrity.
- Do not overload the pouch or attempt to carry additional items that may hinder its functionality.
- Be cautious when attaching the pouch to modular webbing to ensure it is securely fastened.

Instructions for Installation and Usage

1. Attaching the Pouch:

- Use the included MALICE CLIP® to attach the pouch to your modular webbing.
- Ensure the clip is securely fastened and that the pouch is stable before use.

2. Loading the Tourniquet:

- Open the adjustable hook & loop secured flap.
- Insert the CAT style tourniquet into the pouch, ensuring it fits snugly.
- Close the flap securely, making sure the high visibility red tab is easily accessible.

3. Checking the Pouch:

- Regularly check that the tourniquet is in place and that the pouch is securely attached.
- Make sure the elastic sides of the pouch are not overstretched and that the flap closes properly.

Disposal Instructions

- Dispose of the pouch in accordance with local regulations for textile waste.
- If the pouch is damaged or no longer usable, do not throw it in regular trash. Instead, follow local guidelines for hazardous waste disposal if applicable.
- Ensure that any tourniquet within the pouch is also disposed of according to its specific disposal instructions.

Contact Information for Further Support

For further support or inquiries regarding the Tourniquet Pouch, please consult the retailer or manufacturer from whom you purchased the product. They can provide additional information and assistance regarding safety concerns.

Note: This safety instruction guide is intended to help you use the Tourniquet Pouch safely and effectively. Always prioritize safety and preparedness in emergency situations.
