

MINI KING COMP FOR 556 - STRIKE INDUSTRIES MINI KING COMP FOR 556

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

The Strike Industries Mini King Comp .223/5.56 brings the proven performance of the full-size King Comp in a more compact, lighter package designed for the .223/ 5.56 caliber. The Mini King Comp retains the full range of features of the King Comp but in a single chamber format. The large single baffle captures the vented gasses, producing a net force forward of the shooter that helps mitigate recoil. The ports work to stabilize the muzzle end for faster follow-up shots while dampening felt recoil on the shooter to maintain a pleasant overall shooting experience. The end of the Mini KING comp features the “crown” of standoff tines that gives the compensator its name. While .223/5.56 carbines are known for low recoil and ease of weapon manipulation, you can still find an edge in performance with the Strike Industries Mini King Comp. Package Includes x1 Mini King Comp x1 Crush washer Product Features: Tuned for recoil reduction without sacrificing performance 1/2x28" thread pitch Compact single chamber design for .223/5.56 caliber Standoff tines Precision machined 416 stainless steel Black nitrided Compatible with Oppressor COMPATIBILITY: SI OPPRESSOR -CALIFORNIA PROPOSITION 65 WARNING:- WARNING: This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. Safety Instruction Guide for the Strike Industries Mini King Comp for .223/5.56

Introduction

Thank you for choosing the Strike Industries Mini King Comp for your .223/5.56 firearm. This product is designed to enhance your shooting experience by reducing recoil and stabilizing the muzzle. However, it is essential to use this compensator safely and responsibly. This guide provides important safety instructions and guidelines to ensure your safety and the safety of others.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure the firearm is stored securely and out of reach of children or unauthorized users.
- Wear appropriate personal protective equipment (PPE), including eye and ear protection, while shooting.
- Be aware of your surroundings and ensure there is a safe backstop for shooting.
- Familiarize yourself with local laws and regulations regarding firearm use and modifications.

Specific Safety Precautions for Use

- The Mini King Comp is designed for .223/5.56 caliber firearms only. Do not use it with other calibers.
- Ensure the compensator is properly installed before use. An improperly installed compensator can lead to malfunction or injury.
- Check for any visible damage or wear on the compensator before each use. Do not use if damaged.
- Do not modify the compensator in any way. Changes can affect performance and safety.
- Be cautious of the muzzle blast and ensure that bystanders are at a safe distance when firing.
- Monitor the temperature of the compensator during use. It may become hot and can cause burns if touched.

Instructions for Installation and Usage

1. Installation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing muzzle device if applicable.
- Clean the muzzle threads of the firearm to ensure a proper fit.
- Install the Mini King Comp by threading it onto the muzzle with a 1/2x28" thread pitch.
- Use the included crush washer to ensure a snug fit. Tighten securely without overtorquing.
- Verify that the compensator is aligned correctly and securely attached before use.

2. Usage

- Always ensure the firearm is pointed in a safe direction when loading and unloading.
- Use only .223/5.56 ammunition with the Mini King Comp.
- After firing, allow the compensator to cool down before handling it.
- Regularly inspect the compensator for signs of wear or damage and replace if necessary.

Disposal Instructions

- Dispose of the Mini King Comp in accordance with local regulations regarding metal recycling.
- Do not dispose of the compensator in regular household waste.
- If the product is damaged or no longer usable, contact your local waste management facility for proper disposal.

disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Strike Industries Mini King Comp, please refer to the manufacturer's website or contact customer support directly. Ensure to have your product information ready for reference.

Regulatory Compliance

This product is compliant with the EU General Product Safety Regulation (GPSR). It is designed to ensure safety during use and to minimize risks associated with firearm modifications. Please adhere to all safety guidelines and report any unsafe products or incidents to the appropriate authorities.

Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Thank you for prioritizing safety while enjoying your shooting experience with the Strike Industries Mini King Comp.
