

# QUICK DETACH SLING SWIVEL LOOP - STRIKE INDUSTRIES QUICK DETACH SLING SWIVEL LOOP-MICRO

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

The Strike Industries Quick Detach Sling Loop is the most revolutionary design for QD attachments to date. With the ability to remove the QD with a single hand, the user can easily squeeze the mechanism for the simplest attachment and detachment. Instead of a traditional push button QD that is tough to disengage, the patent pending side to side mechanism allows for uninterrupted quick attach and detach while the sling is in use. Crafted from 17-4 Stainless Steel and after a quench polish quench (QPQ) process, the durability of the sling loop is greatly increased. The enhanced geometry of the sling loop allows the strap to never pinch, bite, or roll around the interior of the loop allowing for the maximum mobility and comfort in any tactical or training situation. Package Contents: x1 QDSL (Assembled) Features: (Patent Pending) Exclusive feature side to side squeeze mechanism for uninterrupted quick attach and detach while the sling is in use (Patent Pending) Sling loop is designed to minimize slings from rolling over, biting and bunching up Unprecedented ergonomic design from traditional QD sling attachment, squeeze/ pull to detach, squeeze push to attach Utility cord cut-out design in sling swivel, for extra retention, when using a makeshift sling (Standard only) Heat treated sling loop designed for extra load bearing and strength COMPATIBILITY: Firearms or accessories that has QD socket WARNING: Before every use, always check proper function of your QD sling loop and any wear and tear from use. Always have your weapon in the SAFE position when not being fired. Always follow all firearms safety rules and never point your weapon at anything you are not willing to destroy. CALIFORNIA PROPOSITION 65 WARNING: WARNING: This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. # Quick Detach Sling Swivel Loop Safety Instructions

## Introduction

Thank you for choosing the Strike Industries Quick Detach Sling Swivel Loop. This product is designed to enhance your tactical experience by providing a reliable and easy-to-use sling attachment. However, to ensure your safety and the proper functioning of the sling loop, it is important to follow the safety instructions and guidelines provided in this document.

## General Safety Guidelines

- Always inspect the Quick Detach Sling Swivel Loop before each use to ensure it is functioning properly and free from wear and tear.
- Keep the weapon in a safe position when not being fired.
- Follow all firearms safety rules and never point your weapon at anything you are not willing to destroy.
- Be aware of your surroundings and ensure that the sling loop is not obstructed during use.
- Store the product in a dry environment to prevent corrosion.

## Specific Safety Precautions for Use

- Use the sling loop only with firearms or accessories that have a QD socket.
- Avoid using the sling loop with excessive force, as this may compromise its integrity.
- Do not modify the sling loop in any way, as this may lead to failure during use.
- Ensure that the sling is properly adjusted before use to prevent slippage or entanglement.
- Keep the sling loop away from children and vulnerable individuals to prevent accidental use or injury.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm or accessory is in a safe and unloaded state before installation.
- Align the Quick Detach Sling Swivel Loop with the QD socket on your firearm or accessory.
- Squeeze the side mechanism to attach the sling loop securely.
- Ensure that the loop is fully engaged and does not move or detach when pulled.

### 2. Usage:

- To detach the sling loop, squeeze the side mechanism and pull the loop away from the QD socket.
- Always check the connection after attaching or detaching to ensure it is secure.
- When using the sling, be mindful of the strap's position to prevent pinching or rolling.

## Disposal Instructions

- Dispose of the Quick Detach Sling Swivel Loop in accordance with local regulations.
- If the product is damaged or no longer in use, consider recycling materials where possible.
- Do not dispose of the product in regular household waste if it contains hazardous materials.

## Contact Information for Further Support

For any questions or concerns regarding the Quick Detach Sling Swivel Loop, please refer to the manufacturer's contact information provided with your product packaging or visit their official website for support.

## Important Warnings

- **California Proposition 65 Warning:** This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. For more information, visit [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

## Reporting Unsafe Products

If you encounter any unsafe products or accidents, please report them to the appropriate authorities. You can also check for recall updates on the EU's Safety Gate platform to stay informed about any safety issues related to your product.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our highest priorities. Enjoy your experience with the Strike Industries Quick Detach Sling Swivel Loop.
