

CUSTOMIZABLE TWO-POINT SLINGS - Edgar Sherman Design

CUSTOMIZABLE TWO-POINT SLING BLACK

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

The Edgar Sherman Design Sling, ESD Sling, was designed with purpose, research extreme testing, and experience. The ESD Sling is adaptable to the end-user. The ESD Sling is highly customizable to any rifle, sub-gun, shotgun, hunting rifle, bolt action, and PDW weapon system. There are two adjustment sections on the ESD sling. A rear adjustment section to fit the ESD sling to your body size and additional gear. And a quick-adjust section to loosen or tighten the sling while in use. The ESD Sling adjustment system is more adaptable to natural body movement and body mechanics. The 1-inch width of the ESD sling has less friction than wider slings and allows the ESD sling to move across your body without resistance. The ESD sling has a new updated elastic regulator preventing webbing from twisting or jamming when adjusting. This elastic has a natural pull tab that allows the sling to be folded upon itself and stored tightly on the weapon system. This feature is great for patrol vehicle storage or bag/pack/case storage. Simply pull on the ESD Sling to deploy the sling to its full length. Key Features NEW MK 1.5 updated elastic is featured on all slings to quicken and ease the stowing functionality of the sling. NEW MK 1.5 updated tags for a cleaner, more legible, and higher fade-resistant logo NEW MK 1.5 Made in USA and Berry Amendment Compliant tag hid in the rear section of the sling ESD Pull Tab featured on all slings! Enhanced grip for easier adjustability. Quick-adjust moves naturally in both opening and closing Super lightweight Streamline design Can fold into itself for vehicle operations and quickly be released from storage Berry Amendment compliant materials 20+inches of adjustment in the rear section of the strap Open Ends: This means that you will have an ITW tri-glide on each end of the sling to secure your attachment method. You could add any connection method for your rifle that you'd like and if needed trim the sling to your size (this is standard on most rifle slings). Hand-made in the USA

CUSTOMIZABLE TWOPOINT SLING Safety Instructions

Introduction

Thank you for choosing the CUSTOMIZABLE TWOPOINT SLING by Edgar Sherman Design. This product has been designed with safety, functionality, and user adaptability in mind. Please read this safety instruction guide carefully to ensure the safe use of your sling.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the CUSTOMIZABLE TWOPOINT SLING. Familiarize yourself with its features and functions.
- **Enhanced Recalls:** Stay informed about any potential recalls related to this product. Check official sources for updates.
- **Online Shopping:** If you purchased this sling online, ensure that the platform meets safety requirements.
- **Special Consumer Focus:** Extra care should be taken when the sling is used by or around vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, refer to your local EUbased contact.
- **Rapid Alerts:** Stay updated on unsafe products through the EU Safety Gate system.

Specific Safety Precautions for Use

- Always inspect the sling before each use for any signs of wear or damage.
- Ensure that the sling is properly adjusted to fit your body size and equipment securely.
- Do not exceed the weight limit specified for the sling to avoid accidents.
- Avoid using the sling in adverse weather conditions that may affect its performance.
- Keep the sling away from children and ensure that it is stored safely when not in use.
- If you experience any difficulty adjusting the sling, cease use until assistance is available.

Instructions for Installation and Usage

- **Installation:**

1. Attach the ITW triglide to both ends of the sling securely.
2. Adjust the length of the sling as needed by sliding the adjustment sections.
3. Ensure that the sling is fitted snugly against your body and gear.

- **Usage:**

1. To deploy the sling, pull on the ESD Sling until it reaches its full length.
2. Adjust the rear section to fit your body size and additional gear.
3. Use the quickadjust feature to loosen or tighten the sling while in use.
4. When not in use, fold the sling upon itself and secure it with the elastic regulator.

Disposal Instructions

- Dispose of the CUSTOMIZABLE TWOPOINT SLING responsibly.
- Check local regulations for disposal of textile products.
- If the sling is damaged beyond repair, consider recycling the materials if possible.

Contact Information for Further Support

For any questions or concerns regarding the CUSTOMIZABLE TWOPOINT SLING, please refer to your local retailer or the manufacturer's website for support and additional information. Ensure that you have your purchase details ready for assistance.

Thank you for your attention to these safety instructions. Enjoy the functionality and adaptability of your CUSTOMIZABLE TWOPOINT SLING!
