

CUSTOMIZABLE TWO-POINT SLINGS - Edgar Sherman Design

CUSTOMIZABLE TWO-POINT SLING WOLF GREY

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

The Edgar Sherman Design Sling, ESD Sling, was designed with purpose, research extreme testing, and experience. The ESD Sling is adaptable to the end-user. The ESD Sling is highly customizable to any rifle, sub-gun, shotgun, hunting rifle, bolt action, and PDW weapon system. There are two adjustment sections on the ESD sling. A rear adjustment section to fit the ESD sling to your body size and additional gear. And a quick-adjust section to loosen or tighten the sling while in use. The ESD Sling adjustment system is more adaptable to natural body movement and body mechanics. The 1-inch width of the ESD sling has less friction than wider slings and allows the ESD sling to move across your body without resistance. The ESD sling has a new updated elastic regulator preventing webbing from twisting or jamming when adjusting. This elastic has a natural pull tab that allows the sling to be folded upon itself and stored tightly on the weapon system. This feature is great for patrol vehicle storage or bag/pack/case storage. Simply pull on the ESD Sling to deploy the sling to its full length. Key Features NEW MK 1.5 updated elastic is featured on all slings to quicken and ease the stowing functionality of the sling. NEW MK 1.5 updated tags for a cleaner, more legible, and higher fade-resistant logo NEW MK 1.5 Made in USA and Berry Amendment Compliant tag hid in the rear section of the sling ESD Pull Tab featured on all slings! Enhanced grip for easier adjustability. Quick-adjust moves naturally in both opening and closing Super lightweight Streamline design Can fold into itself for vehicle operations and quickly be released from storage Berry Amendment compliant materials 20+inches of adjustment in the rear section of the strap Open Ends: This means that you will have an ITW tri-glide on each end of the sling to secure your attachment method. You could add any connection method for your rifle that you'd like and if needed trim the sling to your size (this is standard on most rifle slings). Hand-made in the USA

Safety Instruction Guide for CUSTOMIZABLE TWOPOINT SLING

Introduction

Thank you for choosing the CUSTOMIZABLE TWOPOINT SLING by Edgar Sherman Design. This safety instruction guide provides essential information to ensure the safe and effective use of your sling. Please read this guide carefully before using the product.

General Safety Guidelines

- **Product Safety:** Ensure that the sling is used as intended to avoid accidents or injuries. This product is designed for nonfood use only.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. You can check for updates on the EU's Safety Gate platform.
- **Online Shopping:** If purchased online, verify that the seller complies with safety requirements.
- **Special Consumer Focus:** Take extra precautions if the sling is used by vulnerable groups, including children.
- **EU Contact Point:** For safety inquiries or concerns, please refer to the product packaging for the appropriate contact information.
- **Rapid Alerts:** Be aware of updates regarding unsafe products through the Safety Gate system.

Specific Safety Precautions for Use

- **Proper Fit:** Ensure that the sling is adjusted to fit your body size and any additional gear securely.
- **Avoid Twisting:** When adjusting the sling, make sure the webbing does not twist or jam to ensure ease of use.
- **Check Connections:** Regularly inspect the attachment points for signs of wear or damage before each use.
- **Use on Approved Weapons Only:** The sling is designed for specific weapon systems. Do not use it with incompatible firearms.
- **Avoid Excessive Weight:** Do not overload the sling with excessive gear that it is not designed to carry.
- **Store Safely:** When not in use, store the sling in a safe place away from children and pets.

Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the sling from its packaging. Inspect for any visible damage.
2. **Adjusting the Sling:**
 - Locate the rear adjustment section and adjust it to fit your body size.
 - Use the quickadjust section to loosen or tighten the sling as needed while in use.
3. **Attaching the Sling:**
 - Secure the ITW triglide on each end of the sling to your chosen attachment method.
 - Ensure that the connections are secure before use.
4. **Deploying the Sling:**
 - To deploy the sling, pull on the ESD Sling to its full length.
 - Ensure that the sling moves freely across your body without resistance.
5. **Stowing the Sling:**
 - When not in use, fold the sling upon itself using the natural pull tab for compact storage.
 - Store the sling in a patrol vehicle, bag, or case as needed.

Disposal Instructions

- **Responsible Disposal:** When the sling reaches the end of its life cycle, dispose of it responsibly. Follow local regulations for textile and nylon material disposal.
- **Recycling:** If possible, recycle the sling according to local recycling guidelines.

Contact Information for Further Support

For any inquiries or support regarding the CUSTOMIZABLE TWOPOINT SLING, please refer to the product packaging for the appropriate contact information.

Thank you for choosing the CUSTOMIZABLE TWOPOINT SLING. By following these safety instructions, you can ensure a safe and effective experience with your product.
