

# **CUSTOMIZABLE TWO-POINT SLINGS - Edgar Sherman Design**

## **CUSTOMIZABLE TWO-POINT SLING RANGER GREEN/ BLACK**

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

The Edgar Sherman Design Sling, ESD Sling, was designed with purpose, research extreme testing, and experience. The ESD Sling is adaptable to the end-user. The ESD Sling is highly customizable to any rifle, sub-gun, shotgun, hunting rifle, bolt action, and PDW weapon system. There are two adjustment sections on the ESD sling. A rear adjustment section to fit the ESD sling to your body size and additional gear. And a quick-adjust section to loosen or tighten the sling while in use. The ESD Sling adjustment system is more adaptable to natural body movement and body mechanics. The 1-inch width of the ESD sling has less friction than wider slings and allows the ESD sling to move across your body without resistance. The ESD sling has a new updated elastic regulator preventing webbing from twisting or jamming when adjusting. This elastic has a natural pull tab that allows the sling to be folded upon itself and stored tightly on the weapon system. This feature is great for patrol vehicle storage or bag/pack/case storage. Simply pull on the ESD Sling to deploy the sling to its full length. Key Features NEW MK 1.5 updated elastic is featured on all slings to quicken and ease the stowing functionality of the sling. NEW MK 1.5 updated tags for a cleaner, more legible, and higher fade-resistant logo NEW MK 1.5 Made in USA and Berry Amendment Compliant tag hid in the rear section of the sling ESD Pull Tab featured on all slings! Enhanced grip for easier adjustability. Quick-adjust moves naturally in both opening and closing Super lightweight Streamline design Can fold into itself for vehicle operations and quickly be released from storage Berry Amendment compliant materials 20+inches of adjustment in the rear section of the strap Open Ends: This means that you will have an ITW tri-glide on each end of the sling to secure your attachment method. You could add any connection method for your rifle that you'd like and if needed trim the sling to your size (this is standard on most rifle slings). Hand-made in the USA

### **Attributes**

# **CUSTOMIZABLE TWOPOINT SLING Safety Instructions**

## **Introduction**

Thank you for choosing the CUSTOMIZABLE TWOPOINT SLING from Edgar Sherman Design. This safety instruction guide is designed to ensure your safe use of the sling and to provide you with important information regarding its features, installation, and maintenance. Please read this guide carefully before use.

## **General Safety Guidelines**

- Ensure that the sling is suitable for your specific weapon system before use.
- Always inspect the sling for any signs of wear or damage before each use.
- Do not exceed the recommended weight limit for the sling.
- Keep the sling away from children and vulnerable individuals.
- Use the sling only as intended and in accordance with the manufacturer's instructions.
- Report any unsafe conditions or accidents to the appropriate authorities immediately.
- Stay informed about any recalls or safety notices related to the product.

## **Specific Safety Precautions for Use**

- Always ensure that the sling is securely attached to your weapon system before handling.
- Avoid twisting or jamming the sling during adjustments.
- Do not modify the sling beyond the manufacturer's specifications.
- Be cautious when adjusting the sling while in use to prevent accidental release or entanglement.
- When using the sling in a vehicle, ensure it is properly stowed to prevent obstruction or injury.
- Use the quickadjust feature gently to avoid sudden movements that could cause injury.

## **Instructions for Installation and Usage**

### **1. Attachment:**

- Identify the attachment points on your weapon system.
- Use the ITW triglide on each end of the sling to secure your attachment method.
- Ensure the sling is securely fastened and does not interfere with the operation of the weapon.

### **2. Adjustment:**

- Use the rear adjustment section to fit the sling to your body size and any additional gear.
- Utilize the quickadjust section to loosen or tighten the sling as needed while in use.
- Ensure that the adjustment does not restrict movement or comfort.

### **3. Storage:**

- When not in use, fold the sling upon itself using the elastic pull tab for compact storage.
- Store the sling in a dry and secure location, away from direct sunlight and extreme temperatures.

### **4. Maintenance:**

- Regularly inspect the sling for any signs of wear, fraying, or damage.
- Clean the sling with a damp cloth and mild soap if necessary. Allow it to dry completely before storage.

## **Disposal Instructions**

- Dispose of the sling in accordance with local regulations.
- Do not dispose of the sling in regular household waste if it contains materials that may be harmful to the environment.
- Consider recycling the sling if possible, following local recycling guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the CUSTOMIZABLE TWOPOINT SLING, please refer to the manufacturer's contact information provided with your product.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your CUSTOMIZABLE TWOPOINT SLING!
