

# **CUSTOMIZABLE TWO-POINT SLINGS - Edgar Sherman Design**

## **CUSTOMIZABLE TWO-POINT NYLON SLING, MULTICAM TROPIC**

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

The Edgar Sherman Design Sling, ESD Sling, was designed with purpose, research extreme testing, and experience. The ESD Sling is adaptable to the end-user. The ESD Sling is highly customizable to any rifle, sub-gun, shotgun, hunting rifle, bolt action, and PDW weapon system. There are two adjustment sections on the ESD sling. A rear adjustment section to fit the ESD sling to your body size and additional gear. And a quick-adjust section to loosen or tighten the sling while in use. The ESD Sling adjustment system is more adaptable to natural body movement and body mechanics. The 1-inch width of the ESD sling has less friction than wider slings and allows the ESD sling to move across your body without resistance. The ESD sling has a new updated elastic regulator preventing webbing from twisting or jamming when adjusting. This elastic has a natural pull tab that allows the sling to be folded upon itself and stored tightly on the weapon system. This feature is great for patrol vehicle storage or bag/pack/case storage. Simply pull on the ESD Sling to deploy the sling to its full length. Key Features NEW MK 1.5 updated elastic is featured on all slings to quicken and ease the stowing functionality of the sling. NEW MK 1.5 updated tags for a cleaner, more legible, and higher fade-resistant logo NEW MK 1.5 Made in USA and Berry Amendment Compliant tag hid in the rear section of the sling ESD Pull Tab featured on all slings!

Enhanced grip for easier adjustability. Quick-adjust moves naturally in both opening and closing Super lightweight Streamline design Can fold into itself for vehicle operations and quickly be released from storage Berry Amendment compliant materials 20+inches of adjustment in the rear section of the strap Open Ends: This means that you will have an ITW tri-glide on each end of the sling to secure your attachment method. You could add any connection method for your rifle that you'd like and if needed trim the sling to your size (this is standard on most rifle slings). Hand-made in the USA

# Safety Instruction Guide for CUSTOMIZABLE TWOPOINT SLINGS

## Introduction

Thank you for choosing the CUSTOMIZABLE TWOPOINT SLINGS from Edgar Sherman Design. This guide provides essential safety instructions to ensure the proper use and maintenance of your sling. Please read and follow these guidelines carefully to maximize safety and performance.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the sling by following all instructions and guidelines. This product is designed for nonfood use and should be handled with care.
- **Enhanced Recalls:** Stay informed about any recall notices. If the product is found to be unsafe, you will be notified with standardized recall information.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements similar to those found in physical stores.
- **Special Consumer Focus:** Extra safeguards are in place for vulnerable groups. Ensure that children do not use the sling without adult supervision.
- **EU Contact Point:** For safety inquiries, refer to the EUbased contact point provided by the manufacturer.
- **Rapid Alerts:** Keep updated on any safety alerts regarding this product through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is not intended for use by children under the age of 14 without adult supervision.
- **Proper Fit:** Adjust the sling to fit your body size and gear properly to avoid any accidents or injuries.
- **Check for Damage:** Before each use, inspect the sling for any signs of wear, damage, or fraying. Do not use if damaged.
- **Secure Attachments:** Ensure that all attachment points are secure before use. Loose connections can lead to accidents.
- **Avoid Overloading:** Do not exceed the recommended weight limit for the sling. Overloading can compromise safety.
- **Use in Safe Environments:** Avoid using the sling in crowded or unstable environments where it may pose a hazard to yourself or others.

## Instructions for Installation and Usage

### 1. Initial Setup:

- Unpack the sling and check all components for completeness.
- Identify the front and rear adjustment sections of the sling.

### 2. Adjusting the Sling:

- To fit the sling to your body size, use the rear adjustment section.
- Pull the quickadjust section to loosen or tighten the sling while in use for optimal comfort.

### 3. Attachment to Weapon System:

- Attach the sling using the ITW triglide on each end.

- Ensure that the connection method is secure and appropriate for your weapon type.

#### **4. Using the Sling:**

- To deploy the sling, simply pull on the ESD Sling to extend it to its full length.
- Adjust the sling as necessary during use for comfort and stability.

#### **5. Storing the Sling:**

- When not in use, fold the sling upon itself using the natural pull tab for compact storage.
- Store in a cool, dry place away from direct sunlight and moisture.

## **Disposal Instructions**

- Dispose of the sling in accordance with local regulations.
- If the sling is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the sling in regular household waste if it contains nonbiodegradable materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the CUSTOMIZABLE TWOPOINT SLINGS, please refer to the manufacturer's contact point as outlined in the product packaging or on the official website.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your CUSTOMIZABLE TWOPOINT SLINGS. Thank you for your attention to safety.
