

# STEEL 360 BUCKHAMMER LEVER ACTION RIFLE - STEEL 360 BUCKHAMMER 20" BBL 5 ROUND LEVER ACTION

[Firearms](#) > [Rifles](#) > [Lever Action](#)

A 20-inch round barrel provides enough open sight radius for effective close to medium range engagements. A drilled and tapped receiver offers the option of easy scoping for reaching out further. Side ejection keeps fired casing off the scope and out of your line of sight, with spent brass going towards the front to make it safe for left-handed hunters too. The five-shot tube magazine can be loaded from the front or topped off through the side gate. While deer seldom require 5+1 capacity, hogs or coyotes might. Smooth and rapid cycling of the crisp, perfectly machined action gives fast follow-up shots while keeping the sight picture.

## Attributes

- Name: [STEEL 360 BUCKHAMMER 20" BBL 5 ROUND LEVER ACTION](#)
- Manufacturer: [HENRY REPEATING ARMS](#)
- Product no.: 430105725

# Safety Instruction Guide for the STEEL 360 BUCKHAMMER LEVER ACTION RIFLE

## Introduction

Thank you for choosing the STEEL 360 BUCKHAMMER LEVER ACTION RIFLE. This guide provides essential safety instructions to ensure the safe and effective use of your rifle. Please read this manual carefully before using the product and keep it for future reference.

## General Safety Guidelines

- Always treat your rifle as if it is loaded.
- Keep the rifle pointed in a safe direction at all times.
- Ensure the safety is engaged when not in use.
- Store the rifle in a secure location, out of reach of children and unauthorized users.
- Wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure that there is a clear and safe backstop before firing.
- Check local laws and regulations regarding the use of firearms.

## Specific Safety Precautions for Use

- **Handling:**
  - Always keep your finger off the trigger until you are ready to shoot.
  - Do not point the rifle at anything you do not intend to shoot.
- **Loading and Unloading:**
  - Ensure the rifle is pointed in a safe direction when loading or unloading.
  - Use only the specified ammunition (360 Buckhammer) for your rifle.
  - Follow the loading instructions carefully to avoid misfires or jams.
- **Shooting:**
  - Do not shoot at hard surfaces or water, as bullets can ricochet.
  - Ensure that the area is clear of people and animals before firing.
- **Maintenance:**
  - Regularly clean and maintain your rifle to ensure safe operation.
  - Inspect the rifle for any signs of damage or wear before use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the rifle is unloaded before installation.
- If installing a scope, follow the manufacturer's instructions for mounting.
- Confirm that the scope is securely attached and properly aligned.

### 2. Usage:

- To load the rifle, open the side gate and insert the cartridges into the magazine.
- Close the side gate securely before attempting to fire.
- To fire, disengage the safety and pull the trigger while maintaining a proper shooting stance.
- After firing, cycle the action to eject the spent casing and load the next round.
- If a misfire occurs, keep the rifle pointed downrange for at least 30 seconds before attempting to open the action.

## **Disposal Instructions**

- Dispose of any unused ammunition and spent casings in accordance with local regulations.
- Do not throw the rifle or its components in regular household waste.
- Contact a local firearms dealer or waste management facility for proper disposal options.

## **Contact Information for Further Support**

For any questions or concerns regarding the STEEL 360 BUCKHAMMER LEVER ACTION RIFLE, please refer to the manufacturer's contact information provided in the product packaging or visit the official website for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your STEEL 360 BUCKHAMMER LEVER ACTION RIFLE. Always prioritize safety and responsible firearm handling.
