WARHAWK TACTICAL 210X44 FFP ILLUMINATED RIFLE SCOPE

Safety Instruction Guide

Introduction

Thank you for choosing the WARHAWK TACTICAL 210X44 FFP ILLUMINATED RIFLE SCOPE by Swampfox Optics. This guide provides essential safety information and usage instructions to ensure your scope is used safely and effectively. Please read this guide carefully before using the product.

General Safety Guidelines

- **Product Safety:** This rifle scope is designed for safe use in accordance with EU safety regulations. Ensure you understand how to use the product safely.
- **Enhanced Recalls:** In the unlikely event of a product recall, you will be notified through standardized recall notices. Always ensure you are informed about any updates regarding safety.
- **Online Shopping:** If purchased online, the product should meet the same safety standards as those bought in physical stores. Ensure you buy from reputable sources.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach from minors.
- **EU Contact Point:** For safety inquiries, refer to the designated EU contact point associated with this product.
- **Rapid Alerts:** Stay informed about any unsafe products through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Avoid Direct Eye Exposure:** Never look directly into the scope while it is pointed at a bright light source, as this can cause serious eye damage.
- **Proper Handling:** Always handle the rifle scope with care to avoid dropping or damaging it, which could affect its performance.
- **Secure Mounting:** Ensure the scope is securely mounted to your rifle to prevent it from becoming loose during use.
- **Check for Damage:** Before each use, inspect the scope for any signs of damage or wear. Do not use if damaged.
- **Use Appropriate Ammunition:** Ensure that the rifle and ammunition used are compatible with the scope to avoid malfunctions.
- **Follow Local Laws:** Always adhere to local laws and regulations regarding the use of firearms and scopes.

Instructions for Installation and Usage

1. Mounting the Scope:

- Select appropriate rings and bases compatible with your rifle.
- Securely attach the scope to the rifle according to the manufacturer's instructions.
- Ensure the scope is level and aligned with the rifle barrel.

2. Adjusting the Settings:

- Use the locking target turrets to adjust for windage and elevation. Reset to zero if needed.
- Adjust the parallax setting based on the distance to your target.
- Use the fast focus diopter to sharpen the reticle image.

3. Using the Reticle Illumination:

- Activate the reticle illumination in lowlight conditions for better visibility.
- Adjust the brightness level to your preference.

4. Zeroing the Scope:

- Follow the zeroing procedure to ensure accuracy. Fire a group of shots and adjust the turrets accordingly to align the point of impact with the point of aim.

5. Maintenance:

- Clean the lenses with a soft, lintfree cloth to avoid scratches.
- Store the scope in a cool, dry place when not in use.

Disposal Instructions

- **Environmental Considerations:** Do not dispose of the scope in regular household waste. Follow local regulations for the disposal of optical devices and electronic components.
- **Battery Disposal:** Remove the battery (CR2032) before disposal. Dispose of the battery in accordance with local battery recycling programs.

Contact Information for Further Support

For further assistance or inquiries regarding the WARHAWK TACTICAL 210X44 FFP ILLUMINATED RIFLE SCOPE, please refer to the designated contact point provided with your product.

Conclusion

By following these safety instructions and guidelines, you can enjoy the full potential of your WARHAWK TACTICAL 210X44 FFP ILLUMINATED RIFLE SCOPE while ensuring your safety and the safety of those around you. Always prioritize safety and responsible usage.
