# Safety Instruction Guide for the WARHAWK TACTICAL 315X50 FFP ILLUMINATED RIFLE SCOPE

## Introduction

Thank you for choosing the WARHAWK TACTICAL 315X50 FFP ILLUMINATED RIFLE SCOPE from Swampfox Optics. This high-performance rifle scope is designed for precision and clarity, making it an excellent choice for shooting enthusiasts and professionals alike. To ensure your safety and the optimal use of this product, please read this guide carefully.

## General Safety Guidelines

- Always handle the rifle scope with care to avoid damage or injury.
- Keep the scope out of reach of children and unauthorized users.
- Inspect the scope regularly for any signs of damage or wear.
- Use the scope only for its intended purpose, which is to assist in aiming and targeting with firearms.
- Follow all local laws and regulations regarding firearm use and scope installation.
- Be aware of your surroundings and ensure a safe shooting environment at all times.
- If you notice any malfunction or irregularity during use, cease operation immediately and consult a professional.

## Specific Safety Precautions for Use

- **Magnification and Clarity:** Adjust the magnification carefully to avoid straining your eyes. Use the fast focus eyepiece to maintain a clear reticle.
- **Reticle Illumination:** Ensure the illumination is set to a comfortable level. Excessive brightness can cause eye strain.
- **Parallax Adjustment:** Use the sidemounted parallax adjustment to ensure accuracy at various distances. Improper settings can lead to misalignment.
- **Turret Adjustments:** When making adjustments to the target turrets, ensure they are locked in place to prevent accidental changes during use.
- **Weather Conditions:** The scope is rated for IPX7 waterproofing. However, avoid exposing it to extreme weather conditions for prolonged periods.
- **Storage:** Store the rifle scope in a cool, dry place when not in use. Use the protective lens caps to prevent dust and scratches.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before installation.
- Mount the scope onto the rifle using the appropriate rings and bases.
- Align the scope with the barrel and tighten the mounting screws securely.
- Check the alignment by looking through the scope and ensuring the reticle is centered on the target.

### 2. Usage:

- Adjust the magnification to your desired level (3x to 15x).
- Use the fast focus diopter to sharpen the reticle for your eyesight.
- Set the parallax adjustment according to the distance of your target (minimum 10 yards).
- Use the locking target turrets to make elevation and windage adjustments. Each click corresponds to 0.25 MOA or 0.1 MIL.

- After zeroing the scope, lock the turrets to maintain your settings.

## Disposal Instructions

- Dispose of the rifle scope in accordance with local regulations.
- Do not dispose of electronic components in regular household waste. Check for electronic waste recycling facilities in your area.
- Remove the battery (CR2032) before disposal and recycle it according to local guidelines.

## Contact Information for Further Support

For any safety inquiries or support regarding the WARHAWK TACTICAL 315X50 FFP ILLUMINATED RIFLE SCOPE, please refer to the manufacturer's contact information found in the product documentation.

By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your WARHAWK TACTICAL 315X50 FFP ILLUMINATED RIFLE SCOPE. Thank you for your attention to safety and responsible usage.
