# WARHAWK TACTICAL 420X50 FFP ILLUMINATED RIFLE SCOPE Safety Instruction Guide

## Introduction

Thank you for choosing the WARHAWK TACTICAL 420X50 FFP ILLUMINATED RIFLE SCOPE by Swampfox Optics. This guide provides essential safety instructions to ensure the safe and effective use of your rifle scope. Please read this manual carefully before use to familiarize yourself with the safety guidelines and operational instructions.

## General Safety Guidelines

- Ensure safe handling of the rifle scope at all times.
- Store the scope in a secure location, away from children and unauthorized users.
- Always handle firearms and scopes with care, as they are designed for precision use.
- Regularly inspect the scope for any signs of damage or wear before each use.
- Use the scope only for its intended purpose; do not modify or tamper with it.
- Follow all local laws and regulations regarding the use of firearms and optics.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection when using the rifle scope to prevent injury from recoil or debris.
- **Mounting:** Ensure the scope is properly mounted on the firearm according to the manufacturer's instructions. An improperly mounted scope can lead to accidents or misfires.
- **Zeroing:** Before use, zero the scope to ensure accuracy. Follow the zeroing instructions provided in the scope manual.
- **Illumination:** Use the reticle illumination feature responsibly. Do not use the scope in conditions that may impair your vision or judgment.
- **Parallax Adjustment:** Adjust the parallax setting according to your shooting distance to maintain accuracy and clarity.
- **Cleaning:** Clean the lenses with a soft, lintfree cloth. Avoid using harsh chemicals or abrasive materials that could damage the lens coatings.

## Instructions for Installation and Usage

### 1. Installation:

- Select a compatible mounting base for your firearm.
- Securely attach the scope to the mounting base using the provided rings or mounts.
- Ensure that the scope is level and aligned with the barrel of the firearm.
- Tighten all screws and fasteners according to the manufacturer's specifications.

### 2. Usage:

- Adjust the magnification by rotating the magnification ring to the desired setting (4x to 20x).
- Use the fast focus eyepiece to sharpen the reticle image.
- Set the reticle illumination level using the sidemounted adjustment knob.
- Use the locking target turrets to make elevation and windage adjustments. Reset to zero as needed.
- Monitor your eye relief during use to maintain a safe distance from the ocular lens.

## **Disposal Instructions**

- Follow local regulations for the disposal of electronic devices and batteries.
- Dispose of the CR2032 battery in accordance with local battery recycling programs.
- Do not dispose of the scope in regular household waste. Check for electronic waste recycling options in your area.

## **Contact Information for Further Support**

For further assistance or inquiries regarding safety and usage, please refer to the product warranty and customer support information provided by the manufacturer. It is essential to have a local EUbased contact for any safetyrelated questions.

By following these safety instructions, you can ensure a safe and enjoyable experience with your WARHAWK TACTICAL 420X50 FFP ILLUMINATED RIFLE SCOPE. Always prioritize safety and responsible handling of your equipment.
