[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Tool Storage](#) > [Tool Boxes](#)

**FOAM INSERTS FOR GEN III ARMORER'S CASE** The Brownells Foam Inserts for Gen III Armorer's Case are meticulously designed to enhance the organization and protection of your tools within the Gen III Armorer's Case. These inserts offer customizable compartments, ensuring each tool is securely housed, preventing movement during transit, and safeguarding against potential damage. **Description and Features:** **Customizable Fit:** The pluckable foam design allows users to create tailored spaces for individual tools, accommodating various sizes and shapes to ensure a snug fit. **Secure Tool Placement:** By fitting snugly in the drawers, these foam inserts prevent tools from shifting during transport, maintaining organization and accessibility. **Corrosion Prevention:** The foam is purposefully designed to prevent corrosion on stored items, extending the lifespan of your tools. **High-Visibility Layer:** A thin layer of bright red foam at the bottom of each drawer not only protects tools that require the full height of the drawer but also provides a clear visual indicator when a tool is missing, enhancing inventory management. **Available Options:** The foam inserts are available in sizes corresponding to the Gen III Armorer's Case drawer dimensions: **1.2-Inch Drawer Insert:** Designed for the case's two 1.2-inch tall drawers. **2.4-Inch Drawer Insert:** Designed for the case's three 2.4-inch tall drawers. **Complete Kit:** A bundle option that includes inserts for all drawers in the case. **Specifications:** **Material:** Pluckable foam with a protective red bottom layer. **Dimensions:** **1.2-Inch Drawer Insert:** Fits drawers measuring 1.2 inches in height. **2.4-Inch Drawer Insert:** Fits drawers measuring 2.4 inches in height. **Customer Insights:** Customers of the Brownells Foam Inserts for Gen III Armorer's Case appreciate the customizable nature of the pluckable foam, which allows for a tailored fit for various tools. The bright red bottom layer is frequently highlighted as a valuable feature for quickly identifying missing tools, thereby enhancing tool management and accountability. Incorporating these foam inserts into your Gen III Armorer's Case ensures that your tools are not only well-organized but also protected against movement and potential damage during transit, thereby extending their usability and maintaining readiness for any task.

Foam Inserts for the drawers included with the Brownells Armorer's Case Gen III. Pluckable foam makes for easy customization for your tools and preferred layout. Foam fits snugly in drawers, to prevent tools from shifting during transit. Purpose designed to prevent corrosion on stored items. Available for the shorter 1.2 inch drawer and deeper 2.4 inch drawer. The Armorer's Case Gen III has two (2x) 1.2 inch drawers and three (3x) 2.4 inch drawers. Available individually or as a bundle to fill all drawers in the case.

# Safety Instruction Guide for Foam Inserts for Gen III Armorer's Case

## Introduction

Thank you for choosing the Foam Inserts for the Brownells Armorer's Case Gen III. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of the product. Please read this guide carefully before using the foam inserts.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the foam inserts by following all instructions. The inserts are designed for nonfood items only.
- **Enhanced Recalls:** In the event of a safety issue, you will be notified through standardized recall notices. Always check for updates regarding your product.
- **Online Shopping Protections:** If purchased online, you have the same safety protections as if you bought the product in a physical store.
- **Special Consumer Focus:** Extra care should be taken when using this product around children. Ensure that children do not have unsupervised access to the foam inserts.
- **EU Contact Point:** For any safety inquiries, you should reach out to the designated EU contact for this product.
- **Rapid Alerts:** Stay informed about any unsafe products through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Avoid Exposure to Moisture:** Keep the foam inserts dry to prevent degradation and maintain their protective properties.
- **Do Not Overload Drawers:** Ensure that the inserts and tools do not exceed the weight limit of the drawers to prevent damage.
- **Regular Inspection:** Periodically check the foam inserts for signs of wear or damage. Replace them if any issues are identified.
- **Keep Away from Heat Sources:** Avoid placing the foam inserts near heat sources to prevent melting or deformation.
- **Proper Handling:** Handle the foam inserts with care to avoid tearing or puncturing.

## Instructions for Installation and Usage

1. **Remove Existing Foam (if applicable):** If your Armorer's Case has existing foam, carefully remove it before installing the new inserts.
2. **Positioning the Inserts:**
  - Ensure the foam inserts are oriented correctly. The pluckable sections should face upwards for easy customization.
  - Place the foam inserts snugly into the drawers of the Armorer's Case, ensuring they fit securely.
3. **Customization:**
  - Use the pluckable foam to create custom shapes for your tools. Gently pull out sections of foam to fit your tools snugly.
  - Ensure that tools are securely placed in the foam to prevent movement during transit.
4. **Final Check:** After installation, doublecheck that all inserts are properly seated and that tools fit securely without any gaps.

## Disposal Instructions

- **Environmental Considerations:** Dispose of foam inserts in accordance with local regulations. Do not dispose of them in regular household waste if they can be recycled.
- **Recycling:** Check with your local waste management facility to see if the foam can be recycled.
- **Safe Disposal:** If the foam inserts are damaged, wrap them in a plastic bag before disposal to prevent any potential hazards.

## Contact Information for Further Support

For any questions or concerns regarding your Foam Inserts for the Brownells Armorer's Case Gen III, please refer to the designated EU contact or your point of purchase for assistance.

By following these instructions and guidelines, you can ensure the safe and effective use of your Foam Inserts for the Brownells Armorer's Case Gen III. Thank you for your attention and commitment to safety.
