URBAN WARFARE LOW PROFILE DOUBLE RIFLE CASE SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the URBAN WARFARE LOW PROFILE DOUBLE RIFLE CASE by Savior Equipment. This product is designed to provide secure and convenient storage for your rifles while maintaining a lowprofile design. To ensure your safety and the longevity of the product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the rifle case is used only for its intended purpose, which is to store and transport rifles safely.
- Regularly inspect the case for any signs of wear, damage, or malfunction. If any issues are detected, discontinue use immediately.
- Keep the rifle case out of reach of children and vulnerable individuals to prevent accidents.
- Follow all local laws and regulations regarding the transportation and storage of firearms.
- Use the product in a wellventilated area to avoid any buildup of moisture that could damage the case or its contents.
- Avoid exposing the case to extreme temperatures or direct sunlight for prolonged periods, as this may compromise the integrity of the materials.

Specific Safety Precautions for Use

- When loading or unloading rifles, ensure that the firearms are unloaded and the safety mechanisms are engaged.
- Use the padded sleeves and dividers provided in the case to prevent movement and contact between the rifles during transport.
- Secure all zippers and straps before moving the case to ensure that the contents remain safely stored.
- If using the removable backpack straps, ensure they are securely attached and adjusted to fit comfortably to prevent slipping or dropping.
- Do not overload the case beyond its intended capacity, as this may cause damage or make it difficult to handle.
- Be cautious when using the hook and loop fasteners, as they can catch on clothing or skin if not handled carefully.

Instructions for Installation and Usage

1. Unpacking the Case:

- Carefully remove the rifle case from its packaging.
- Inspect the case for any damage or missing components.

2. Loading the Rifles:

- Open the case fully and lay it flat on a stable surface.
- Place each rifle into the designated padded slots, ensuring that they are oriented correctly and securely positioned.
- Use the padded muzzle and stock sleeves to cover the ends of the rifles for added protection.

3. Securing the Rifles:

- Use the hook and loop lockdown straps to secure the rifles in place.
- Ensure that the straps are tightened adequately without excessive force that could damage the rifles.

4. Using Pockets and Compartments:

- Utilize the secondary compartment for storing additional items such as ammunition or accessories.
- Use the zippered mesh pockets for smaller items to prevent them from getting lost.
- Ensure that exterior accessory pockets are closed securely before transport.

5. Transporting the Case:

- If using the removable backpack straps, adjust them to fit snugly on your back.
- Alternatively, use the adjustable shoulder strap for easier carrying.
- Always hold the case securely when lifting or moving to prevent accidents.

6. Cleaning and Maintenance:

- Clean the exterior of the case with a damp cloth and mild detergent as needed.
- Allow the case to air dry completely before storing it to prevent mold and mildew.

Disposal Instructions

- Dispose of the rifle case in accordance with local regulations regarding textile and plastic waste.
- If the case is damaged beyond repair, consider recycling materials where possible.
- Ensure that any firearms or ammunition are removed and disposed of according to legal requirements before disposing of the case.
