## ARMORER'S CASE GEN 3 FOAM INSERT BUNDLE

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Tool Storage](#) > [Tool Boxes](#)

**FOAM INSERTS FOR GEN III ARMORER'S CASE** The Brownells Foam Inserts for Gen III Armorer's Case are meticulously designed to enhance the organization and protection of your tools within the Gen III Armorer's Case. These inserts offer customizable compartments, ensuring each tool is securely housed, preventing movement during transit, and safeguarding against potential damage.

**Description and Features:**

- Customizable Fit:** The pluckable foam design allows users to create tailored spaces for individual tools, accommodating various sizes and shapes to ensure a snug fit.
- Secure Tool Placement:** By fitting snugly in the drawers, these foam inserts prevent tools from shifting during transport, maintaining organization and accessibility.
- Corrosion Prevention:** The foam is purposefully designed to prevent corrosion on stored items, extending the lifespan of your tools.
- High-Visibility Layer:** A thin layer of bright red foam at the bottom of each drawer not only protects tools that require the full height of the drawer but also provides a clear visual indicator when a tool is missing, enhancing inventory management.

**Available Options:** The foam inserts are available in sizes corresponding to the Gen III Armorer's Case drawer dimensions:

- 1.2-Inch Drawer Insert:** Designed for the case's two 1.2-inch tall drawers.
- 2.4-Inch Drawer Insert:** Designed for the case's three 2.4-inch tall drawers.

**Complete Kit:** A bundle option that includes inserts for all drawers in the case.

**Specifications:**

- Material:** Pluckable foam with a protective red bottom layer.
- Dimensions:** 1.2-Inch Drawer Insert: Fits drawers measuring 1.2 inches in height. 2.4-Inch Drawer Insert: Fits drawers measuring 2.4 inches in height.

**Customer Insights:** Customers of the Brownells Foam Inserts for Gen III Armorer's Case appreciate the customizable nature of the pluckable foam, which allows for a tailored fit for various tools. The bright red bottom layer is frequently highlighted as a valuable feature for quickly identifying missing tools, thereby enhancing tool management and accountability. Incorporating these foam inserts into your Gen III Armorer's Case ensures that your tools are not only well-organized but also protected against movement and potential damage during transit, thereby extending their usability and maintaining readiness for any task.

Foam Inserts for the drawers included with the Brownells Armorer's Case Gen III. Pluckable foam makes for easy customization for your tools and preferred layout. Foam fits snugly in drawers, to prevent tools from shifting during transit. Purpose designed to prevent corrosion on stored items. Available for the shorter 1.2 inch drawer and deeper 2.4 inch drawer. The Armorer's Case Gen III has two (2x) 1.2 inch drawers and three (3x) 2.4 inch drawers. Available individually or as a bundle to fill all drawers in the case.

# Safety Instruction Guide for FOAM INSERTS FOR GEN III ARMORER'S CASE

## Introduction

Thank you for choosing the Foam Inserts for the Brownells Armorers Case Gen III. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this guide carefully before using the Foam Inserts.

## General Safety Guidelines

- The Foam Inserts are designed for use with the Brownells Armorers Case Gen III. Ensure compatibility before use.
- Always inspect the Foam Inserts for any damage before installation. Do not use if damaged.
- Keep the Foam Inserts out of reach of children to prevent accidental injury or misuse.
- Store the Foam Inserts in a dry environment to prevent moisture damage and corrosion of tools.
- If you notice any unusual wear or degradation in the foam, discontinue use immediately.

## Specific Safety Precautions for Use

- Ensure that tools are properly secured within the Foam Inserts to prevent shifting during transport.
- Avoid placing excessively heavy tools in the Foam Inserts, as this may lead to deformation or damage.
- Do not expose the Foam Inserts to extreme temperatures or direct sunlight for extended periods, as this may affect the integrity of the foam.
- Regularly check the Foam Inserts for signs of wear or damage, and replace if necessary.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the Foam Inserts from the packaging.
- Identify the drawers of the Brownells Armorers Case Gen III where the Foam Inserts will be placed.
- Gently place the Foam Inserts into the drawers, ensuring a snug fit without forcing them.
- Adjust the Foam Inserts as needed to accommodate your tools.

### 2. Usage:

- Place your tools into the pluckable foam sections according to your preferred layout.
- Ensure that tools are fully seated in the foam to prevent movement during transit.
- Regularly check that tools remain secure and adjust the foam as necessary for optimal fit.

## Disposal Instructions

- When disposing of the Foam Inserts, check local regulations regarding foam disposal.
- If the Foam Inserts are damaged beyond use, consider recycling options if available in your area.
- Do not incinerate the Foam Inserts, as this may release harmful substances.

## Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's website or contact their customer service directly.

Thank you for following these safety instructions. Your adherence to these guidelines helps ensure a safe and

effective experience with the Foam Inserts for the Brownells Armorers Case Gen III.
