

ARMORERS CASE GEN III - ARMORER'S GEN 3 CASE WITH FOAM INSERTS

Brownells Generation III Armorers Case – Built to Extreme Testing Standards Enhanced Armorers Case now has the ability to be an easy to access toolbox in your workshop, and quickly configured for transport. Manufactured from durable polypropylene, the Gen III Armorers Case is waterproof and durable enough for any expedition (See below for Test Specifications). With three (3x) 2.4in tall and two (2x) 1.2 in drawers, there is plenty of storage for your essential tools. Case features two carrying handles on either side, as well as top telescoping luggage handle for use with the two integral wheels. Front door and top lid can be removed, by turning a locking screw in the hinge, allowing for easy access to drawers and to compartment when not travelling. Drawers have depressible tabs, that allow complete drawer removal, while also ensuring tools don't inadvertently fall out. Stackable design ensures any additional Armorers Cases neatly stack for clean organization. Top and front jam free lid latches are easy to operate and firmly secure all sides in transit. Interior of Lid features a clear polymer door, so that documentation, spare parts or additional tools can be stored in otherwise unused space. Optional pluckable foam keeps tools from shifting during transit and protects your investments. Drawer Internal Dimensions: Large Drawer: 2.4 inches Tall x 18.4 inches Wide x 10 inches Deep Small Drawer: 1.2 inches Tall x 18.4 inches Wide x 10 inches Deep Top Removable Tray Internal Dimensions: 1.25 inches Tall x 18 inches Wide x 10.25 inches Deep Total Case Weight: 21.49 lbs Operating Temperature: -27.4°F to 194°F Test Specifications: STANAG 4280 - DEF-STD 81-41 (Part 3 Issue 4) Impact Horizontal Test - 2.5m Impact Vertical Test - 2.5m Vibration Test – 5-350Hz Dry-Heat Test – 68 to 176 °F 50-80% Humidity for 3 hours Low Temp Test Storage Test - -40°F to 194°F, humidity not less than 90%, cycle of 28 times CEI EN 60529 Dust Ingress Test – 2-8 Hours Water Ingress Test – 1m for 30min

ARMORERS CASE GEN III Safety Instruction Guide

Introduction

Thank you for choosing the Brownells Generation III Armorers Case. This durable and versatile case is designed to safely store and transport your essential tools. Please read this safety instruction guide carefully to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** This product is designed to ensure safe use and minimize risks. Always follow the instructions provided in this guide.
- **Enhanced Recalls:** In the unlikely event of a product recall, standardized notices will be issued. You will receive free remedies for any dangerous products.
- **Online Shopping:** Whether purchased online or instore, this product meets all safety requirements.
- **Special Consumer Focus:** Extra precautions are taken to safeguard vulnerable groups, including children. Keep this product out of reach of children.
- **EU Contact Point:** For any safety inquiries, please refer to the appropriate EU contact point.
- **Rapid Alerts:** Stay informed about unsafe products through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Do not exceed the maximum load capacity of the drawers to avoid breakage.
 - Ensure that the case is securely closed during transport to prevent tools from falling out.
 - Use caution when removing drawers to prevent injury from tools falling.
- **Avoiding Hazards:**
 - Always carry the case using the handles provided. Do not lift by the lid or drawers.
 - Store the case in a dry location to maintain its waterproof qualities.
 - Do not expose the case to extreme temperatures outside the operating range of 27.4°F to 194°F.
- **Age Specific Warnings:**
 - This product is not intended for use by children. Adult supervision is required if children are present during use.

Instructions for Installation and Usage

- **Installation:**
 - Ensure that the case is placed on a stable surface before use.
 - Remove the top lid and front door by turning the locking screw in the hinge for easy access.
- **Usage:**
 - Load tools into the drawers, ensuring they are securely placed to prevent movement.
 - Use the depressible tabs on the drawers for complete removal if needed.
 - When transporting, secure the top and front lid with the jamfree lid latches.
 - Utilize the optional pluckable foam to keep tools from shifting during transit.
 - To clean the case, use a damp cloth and mild detergent. Avoid harsh chemicals.

Disposal Instructions

- **Disposal:**
 - Dispose of the Armorers Case in accordance with local regulations for plastic waste.
 - If the case is damaged beyond repair, ensure that it is disposed of in an environmentally friendly manner.

Contact Information for Further Support

For any questions or concerns about the product, please refer to the manufacturer's contact information provided on the packaging or the official website.
