Safety Instruction Guide for SOLUS 6.5 Creedmoor Short Action Barreled Receiver

Introduction

Thank you for purchasing the SOLUS 6.5 Creedmoor Short Action Barreled Receiver by Aero Precision. This guide provides essential safety information and instructions to ensure the safe use of your product. Please read this document thoroughly before installation and use.

General Safety Guidelines

- Ensure proper handling and storage of the barreled receiver to prevent accidents.
- Always treat the barreled receiver as if it is loaded, even when not in use.
- Keep the barreled receiver out of reach of children and unauthorized users.
- Wear appropriate protective gear, including eye and ear protection, when using the product.
- Regularly inspect the barreled receiver for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearms and their components.

Specific Safety Precautions for Use

- Ensure that the barreled receiver is compatible with your existing firearm components before installation.
- Avoid using the product if it shows any signs of damage or malfunction.
- Always ensure that the firearm is pointed in a safe direction when loading, unloading, or handling.
- Never modify the barreled receiver or its components without consulting a qualified gunsmith.
- Use only factorymanufactured ammunition that is appropriate for the 6.5 Creedmoor cartridge.
- Be aware of your surroundings and ensure a clear shooting area before firing.

Instructions for Installation and Usage

1. Installation Instructions

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing barreled receiver from the firearm, if applicable.
- Align the SOLUS barreled receiver with the action of your firearm using the R700 short action footprint.
- Secure the barreled receiver in place using the appropriate screws and tools.
- Check that the bolt operates smoothly and that there is no binding.

2. Usage Instructions

- Load the firearm with the appropriate 6.5 Creedmoor ammunition.
- Ensure that the safety is engaged before loading the firearm.
- When ready to fire, disengage the safety and take aim at your target.
- Fire the firearm only when you are certain of your target and what lies beyond it.
- After use, remove the ammunition and clean the barreled receiver as per the manufacturer's recommendations.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the barreled receiver is no longer in use, consider returning it to a licensed firearms dealer or following local guidelines for the disposal of firearms and components.
- Do not discard the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the SOLUS 6.5 Creedmoor Short Action Barreled Receiver, please consult the manufacturer's website or contact their customer service department for assistance.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your SOLUS 6.5 Creedmoor Short Action Barreled Receiver. Always prioritize safety and responsible handling practices. Thank you for your attention to these important safety measures.
