

# M-LOK TYPE 2 RAIL COVERS HALF SLOT - MAGPUL RAIL COVERS TYPE 2 HALF SLOT M-LOK POLYMER FDE 6/BOX

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Rail Covers](#)

M-LOK Type 2 Half Slot Rail Covers are low-profile, two-piece covers that install directly onto most full and half size M-LOK aluminum hand guards (non-polymer). Designed to work in conjunction with full size M-LOK Type 2 Rail Covers, Half Slot Rail Covers can be used to fill extra space left by full size Rail Covers and other accessories—allowing for more customization and coverage of your hand guard. M-LOK Type 2 Half Slot Rail Covers are non-orientation specific, which allows the user to mount them in any direction desired without affecting function. They feature beveled contours to minimize potential snagging, our TSP texture for additional grip, and a low profile that's only slightly more than 1/8" from the mounting surface. The center locking tab is pre-scored to allow the user to snap off sections and mix and match colors for a customized look. Includes four panels, each covering half of an M-LOK slot. Not compatible with MAGPUL MOE M-LOK, MOE SL and SGA fore-ends, and may not be compatible with free-float handguards that have a wider and flatter profile, as they will not seat deep enough to allow the center portion to lock in. Made in the USA. Non-orientation specific, can be mounted in any direction desired. Beveled contours minimize potential snagging. TSP texture creates additional grip. Covers barely protrude more than 1/8" above the rail surface to maintain a low-profile. Can be mixed and matched with various colors for a custom look. Installed or uninstalled in seconds.

## Attributes

- Name: [MAGPUL RAIL COVERS TYPE 2 HALF SLOT M-LOK POLYMER FDE 6/BOX](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 430106363

# MLOK Type 2 Half Slot Rail Covers Safety Instructions

## Introduction

Thank you for choosing the MLOK Type 2 Half Slot Rail Covers. These rail covers are designed to enhance the functionality and customization of your MLOK aluminum hand guards. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the rail covers are compatible with your specific hand guard model.
- Always inspect the product before use for any signs of damage or defects.
- Keep the rail covers out of reach of children and pets.
- Avoid using the rail covers in conditions that may lead to slipping or loss of grip.
- If you experience any issues while using the rail covers, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Do not attempt to install the rail covers on nonMLOK compatible surfaces.
- Ensure that the mounting surface is clean and free from debris before installation.
- Avoid excessive force when snapping the rail covers into place to prevent damage.
- Be cautious of sharp edges during installation and removal to avoid injury.
- If using multiple colors, ensure that all sections are securely attached to prevent detachment during use.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and ensure the installation area is clean.
- Review the compatibility of your hand guard with the MLOK Type 2 Half Slot Rail Covers.

### 2. Installation:

- Align the center locking tab of the rail cover with the desired MLOK slot on your hand guard.
- Press down firmly until you hear a snap, indicating that the rail cover is securely locked in place.
- If needed, use scissors to trim the center locking tab for a customized fit.
- Repeat the process for additional rail covers, ensuring they are evenly spaced.

### 3. Usage:

- The rail covers can be mounted in any direction.
- Regularly check the rail covers for secure attachment and signs of wear.
- Clean the rail covers with a damp cloth to maintain their appearance and functionality.

### 4. Removal:

- To remove the rail covers, gently pull them away from the hand guard, starting from one end.
- If necessary, use a flat tool to assist in lifting the rail cover without damaging the hand guard.

## Disposal Instructions

- Dispose of the rail covers in accordance with local regulations for plastic waste.
- Do not incinerate or expose the rail covers to high temperatures.
- Ensure that any discarded parts are kept out of reach of children and pets.

## Contact Information for Further Support

For any inquiries or concerns regarding safety or product performance, please refer to the manufacturer's contact information provided on the packaging or visit their official website.

By following these safety instructions, you can ensure a safe and effective experience with your MLOK Type 2 Half Slot Rail Covers. Thank you for your attention to safety and for choosing our product.
