

DAKA® V-BLOCK AND ANGLED KITS - MAGPUL DAKA ANGLED BLOCK KIT BLACK

[Shooting Accessories](#) > [Gun Storage](#) > [Gun Storage Accessories](#)

The Magpul DAKA® V-Block Kit expands the functionality of your DAKA GRID Organizer and DAKA Hard Cases by adding better stability and new storage configurations for gear that doesn't lay flush in your case or needs extra support. The kit includes two double V-Blocks and two triple V-Blocks constructed from our impact-resistant Expanded Polypropylene. Both blocks feature a V-shaped channel that runs down the center, providing better stability and a custom fit for barrels and other equipment that doesn't lay flat against the bottom of the case. Features Added stability and custom fit for barrels and other like items Expanded DAKA GRID Organizer and DAKA Hard Case configurability Compartmentalize and protect more of your gear Lightweight, durable, non-absorbent, and chemical resistant

DAKA® VBLOCK AND ANGLED KITS MAGPUL DAKA ANGLED BLOCK KIT BLACK Safety Instruction Guide

Introduction

Thank you for purchasing the Magpul DAKA® VBlock and Angled Kits. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Regularly inspect the product for signs of wear or damage. Do not use if damaged.
- Store the product in a cool, dry place away from direct sunlight and extreme temperatures.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use the VBlock Kit only with compatible DAKA GRID Organizers and DAKA Hard Cases.
- Ensure that the VBlocks are securely positioned to prevent items from shifting during transport.
- Avoid overloading the organizer or case beyond its specified weight capacity.
- When inserting or removing items, do so with care to avoid pinching or injury.
- Always check that the blocks are properly aligned before closing the case.

Instructions for Installation and Usage

1. Installation:

- Open your DAKA GRID Organizer or DAKA Hard Case.
- Identify the desired location for the VBlocks within the organizer or case.
- Insert the double or triple VBlocks into the designated slots or areas, ensuring they fit snugly.
- Adjust the position of the blocks as needed for optimal stability and support.

2. Usage:

- Place items such as barrels or equipment into the Vshaped channels of the blocks.
- Ensure that items are seated securely within the blocks to prevent movement.
- Close the organizer or case carefully, ensuring that it is fully sealed and secure.

Disposal Instructions

- Dispose of the product in accordance with local regulations for plastic waste.
- Do not burn or incinerate the product, as it may release harmful substances.
- If the product is damaged beyond repair, consider recycling any usable components where possible.

Contact Information for Further Support

For any questions or concerns regarding the safety or usage of the DAKA® VBlock and Angled Kits, please refer to the manufacturer's website or your point of purchase for assistance.

Please keep this guide for future reference. Thank you for your attention to safety!
