

SIG SAUER CROSS PRE-FIT DROPIN CARBON FIBER 6MM CREEDMOOR BARREL - PROOF RESEARCH SIG CROSS PRE-FIT DROP IN CARBON FIBER 6MM CREEDMOOR 18" BBL

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Carbon fiber has long been hailed across many industries—aerospace, cycling, alternative energy—as a wonder material making everything lighter and stronger. When employed in a rifle barrel the benefits extend beyond reducing weight and increasing strength. The patented manufacturing process begins with full-profile, match-grade 416R stainless steel barrel blanks that are made in their firearms division. These blanks are then turned down to a significantly reduced profile greatly reducing weight. This reduced contour barrel is then wrapped with high-strength, aerospace-grade carbon fiber impregnated with a proprietary matrix resin developed by their advanced composites division, PROOF Research ACD. The carbon fibers used have a unique ability to diffuse heat along the length of the barrel (much like fiber optics transmit light). Carbon fiber also moves heat very effectively through the wall (thickness) of the barrel greatly increasing heat transport resulting in barrels that cool faster, maintain accuracy over longer sessions of fire, and live longer. The end result is an aerospace-grade, high-fiber content composite barrel that is stronger, lighter, as accurate as the finest precision steel barrel, and durable to perform in the most demanding environments. They're not just lighter—they're better.

Attributes

- Name: [PROOF RESEARCH SIG CROSS PRE-FIT DROP IN CARBON FIBER 6MM CREEDMOOR 18" BBL](#)
- Manufacturer: [PROOF RESEARCH](#)
- Product no.: 430106631
- Mfr. No.: 134559
- Cartridge: 6mm Creedmoor
- Finish: Carbon Fiber
- Length: 20"
- Model: Cross
- Muzzle Threads: 5/8-24
- Twist: 1-7.5
- Weapon type: Sig Sauer
- Delivery weight: 1.588kg
- Shipping height: 102mm
- Shipping width: 102mm
- Shipping length: 762mm
- UPC: 843068134559

Item details

Made in USA

US export classification: 0A501.c

SIG SAUER CROSS PreFit DropIn Carbon Fiber 6mm Creedmoor Barrel Safety Instructions

Introduction

Thank you for choosing the SIG SAUER CROSS PreFit DropIn Carbon Fiber 6mm Creedmoor Barrel. This product is designed to enhance your shooting experience while ensuring safety and performance. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the barrel safely.

General Safety Guidelines

- Ensure that you comply with all local laws and regulations regarding firearm use and ownership.
- Always treat firearms and firearm components as if they are loaded, even when you believe they are not.
- Store the barrel and all firearm components securely and out of reach of children and unauthorized users.
- Inspect the barrel before each use to ensure it is free of defects or damage.
- Use only compatible firearms with this barrel to avoid accidents or malfunctions.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection while shooting.
- Avoid using the barrel in wet or humid conditions to prevent corrosion and damage.
- Do not exceed the recommended ammunition specifications for the barrel.
- Be cautious of hot surfaces after firing, as the barrel may become extremely hot.
- If you notice any unusual sounds or malfunctions while using the barrel, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel from the firearm according to the manufacturer's instructions.
- Align the new SIG SAUER CROSS barrel with the receiver and ensure it fits snugly.
- Secure the barrel using the appropriate hardware, ensuring it is tightened to the manufacturer's specifications.

2. Usage:

- Load the firearm with compatible ammunition.
- Check the safety mechanisms of the firearm before firing.
- Fire in a controlled manner, maintaining awareness of your surroundings.
- After use, clean the barrel according to the manufacturer's recommendations to maintain performance and longevity.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations regarding firearm components.
- Do not dispose of the barrel in regular household waste.
- Contact local authorities or a licensed firearms dealer for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the SIG SAUER CROSS PreFit DropIn Carbon Fiber 6mm Creedmoor Barrel, please consult the manufacturer's customer service or your local firearms dealer.

By following these safety instructions, you can ensure a safe and enjoyable experience with your new barrel. Always prioritize safety and compliance with regulations to protect yourself and others.
