Safety Instruction Guide for AR15 A1 Delta/Slip Ring

Introduction

Thank you for choosing the AR15 A1 Delta/Slip Ring. This essential component is designed to enhance the performance and stability of your AR15 rifle. To ensure safe usage and optimal performance, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the AR15 A1 Delta/Slip Ring is installed correctly to prevent any potential hazards associated with improper fitting.
- Always handle firearms with caution and follow all safety protocols for firearm usage.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the Delta/Slip Ring for any signs of wear or damage.
- Report any unsafe conditions or incidents related to the product to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the AR15 A1 Delta/Slip Ring with compatible AR15 handguards.
- Do not exceed the manufacturer's recommended specifications for installation and usage.
- Ensure that the firearm is unloaded before performing any maintenance or installation work.
- Wear appropriate safety gear, including eye protection, when handling firearms.
- Avoid using the product in extreme weather conditions that may affect its performance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a torque wrench and appropriate screwdrivers.
- Ensure that your work area is clean and free of distractions.

2. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing handguard if applicable.
- Align the AR15 A1 Delta/Slip Ring with the handguard mounting area.
- Securely fasten the Delta/Slip Ring using the provided screws, ensuring not to overtighten.
- Check for a secure fit and ensure there is no wobbling.

3. Usage:

- Once installed, attach your handguard according to the manufacturer's instructions.
- Regularly check the Delta/Slip Ring for stability during usage.

Disposal Instructions

- Dispose of the AR15 A1 Delta/Slip Ring in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling facility or hazardous waste collection point.

Contact Information for Further Support

For any inquiries or support regarding the AR15 A1 Delta/Slip Ring, please refer to the product packaging or contact the manufacturer directly.
