# AK Alpha Series MLOK Handguards Safety Instruction Guide

## Introduction

Thank you for choosing the AK Alpha Series MLOK Handguards by Midwest Industries. This guide provides essential safety instructions and guidelines for the proper use and installation of your handguard. Please read this document carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure the product is suitable for your specific firearm model (AK47/AK74 with stamped receivers).
- Always follow local laws and regulations regarding firearm accessories.
- Inspect the handguard for any visible damage or defects before installation.
- Keep the handguard and all firearm accessories out of reach of children.
- Report any unsafe product experiences to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Installation:

- Ensure the firearm is unloaded and pointed in a safe direction before starting the installation.
- Use proper tools as specified in the installation section to avoid injury or damage to the handguard or firearm.

### • Use:

- Do not exceed the weight limit of the handguard, as this may lead to failure during use.
- Avoid using the handguard with incompatible firearms (e.g., Yugo or milled receiver firearms).
- Regularly check the handguard for signs of wear and tear, especially after extensive use.

### • Heat Management:

- Be aware that the handguard may become hot during prolonged firing. Use caution to avoid burns.
- The specially designed heat shield is included to help manage heat; ensure it is properly installed.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have the following tools ready: a wrench and a screwdriver (if required).
- Verify that your firearm is completely unloaded.

### 2. Installation Steps:

- Remove the existing handguard from your firearm by loosening the handguard cap and sliding it off.
- Align the AK Alpha Series Handguard with the firearm's receiver.
- Slide the handguard into place, ensuring it fits snugly against the receiver.
- Secure the handguard using the provided screws and tighten them to the manufacturer's specifications.
- Reinstall the front handguard cap and sling loop if applicable.

### **3. Usage:**

- Once installed, test the stability of the handguard by applying gentle pressure.
- Mount any accessories (e.g., optics, lights) according to the manufacturer's instructions.
- Always check the compatibility of accessories with the MLOK system.

## **Disposal Instructions**

- Dispose of the handguard in accordance with local regulations.
- If the handguard is damaged or no longer usable, consider recycling the aluminum material where applicable.
- Do not dispose of the handguard in regular household waste.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's website or customer service for assistance.
