RUGER 10/22 Bolt Assembly, Trigger, Cocking Handle, & Barrel Bundle Safety Instructions

Introduction

Thank you for choosing the RUGER 10/22 Bolt Assembly, Trigger, Cocking Handle, and Barrel Bundle. This product is designed to enhance your shooting experience while ensuring safety and compliance with EU General Product Safety Regulations (GPSR). Please read this guide carefully to understand the safety precautions, installation instructions, and proper use of this product.

General Safety Guidelines

- Ensure that this product is used only by individuals who are familiar with firearm safety and handling.
- Always treat firearms as if they are loaded, even if you believe they are not.
- Store all firearm components in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your firearm and its components for any signs of wear or damage before use.
- Follow all local laws and regulations regarding the use and ownership of firearms and firearm components.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

• Potential Hazards:

- Improper installation may lead to malfunction or injury.
- Always ensure the firearm is unloaded before installation or maintenance.
- Use only compatible Ruger factory parts to avoid safety issues.

• Avoiding Hazards:

- Read all instructions thoroughly before beginning installation.
- Ensure the working area is free of distractions and clutter.
- Wear appropriate safety gear, including eye protection, when handling firearms.

• Age and Audience Specific Warnings:

- This product is not intended for use by individuals under the age of 18 unless supervised by a qualified adult.
- Ensure that all users are trained in firearm safety and operation.

Instructions for Installation and Usage

Installation Instructions

1. Preparation:

- Ensure the firearm is completely unloaded and the chamber is clear.
- Gather all necessary tools for installation.

2. Bolt Assembly Installation:

- Remove the existing bolt from the firearm.

- Insert the Brownells 10/22 Bolt Assembly into the receiver.
- Ensure that the extractor and firing pin are properly seated.

3. Trigger Installation:

- Remove the existing trigger assembly.
- Install the Ruger 10/22 BXTrigger by aligning it with the receiver.
- Secure the trigger assembly according to the manufacturer's specifications.

4. Cocking Handle Installation:

- Remove the existing cocking handle.
- Install the Genuine Ruger Cocking Handle Assembly, ensuring it fits securely.

5. Barrel Installation:

- Remove the existing barrel from the firearm.
- Install the Ruger 10/22 Barrel by aligning it with the receiver.
- Ensure that the barrel is properly secured and aligned.

Usage Instructions

- After installation, perform a function check to ensure all components are operating correctly.
- Always follow safe handling practices when using the firearm.
- Regularly clean and maintain all components to ensure optimal performance and safety.

Disposal Instructions

- Dispose of any unused or damaged firearm components in accordance with local regulations.
- Do not dispose of firearms or components in regular household waste.
- Contact local authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the RUGER 10/22 Bolt Assembly, Trigger, Cocking Handle, and Barrel Bundle, please refer to the manufacturer's website or contact their customer service for assistance.

Thank you for your attention to these safety instructions. Enjoy your shooting experience safely and responsibly.
