Safety Instruction Guide for BRN4/416 Barrel Bench Block

Introduction

Thank you for choosing the BRN4/416 Barrel Bench Block. This product is designed to provide a safe and efficient way to install or remove the gas block on a BRN4 or HK416 barrel. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the workspace is clean and free from hazards.
- Use the bench block only for its intended purpose.
- Keep the bench block out of reach of children and vulnerable individuals.
- Regularly inspect the bench block for any signs of damage or wear. Do not use if damaged.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the bench block.
- Ensure that the bench block is placed on a stable, flat surface before use.
- Avoid using excessive force when installing or removing components.
- Keep hands and other body parts clear of moving parts during operation.
- Use the integrated pockets to securely hold pins and punches to prevent them from rolling away.
- Ensure that any tools used in conjunction with the bench block are in good condition and suitable for the task.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and components before starting.
- Ensure the workspace is welllit and organized.

2. Using the Bench Block

- Place the BRN4/416 Barrel Bench Block on a stable surface.
- Identify the gas block that needs to be installed or removed.
- If applicable, use the recessed pocket for roll pins to hold them securely.
- Insert the appropriate punches into the integrated pockets as needed.
- Follow the specific instructions for your gas block to ensure proper installation or removal.

3. PostUse Care

- Once the task is complete, clean the bench block to remove any debris or residue.
- Store the bench block in a dry, safe location away from children and pets.

Disposal Instructions

- Dispose of the BRN4/416 Barrel Bench Block in accordance with local regulations.
- If the product is damaged beyond repair, ensure it is disposed of in a way that prevents any potential hazards to the environment or individuals.
