Safety Instructions for BRN4/416 Barrel Bench Block

Introduction

Thank you for choosing the Brownells BRN4 / HK416 Barrel Bench Block. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this manual carefully before using the bench block.

General Safety Guidelines

- Always use the bench block in a wellventilated area.
- Keep the work area clean and organized to prevent accidents.
- Ensure that all tools and parts are in good condition before use.
- Store the bench block in a safe place when not in use to prevent unauthorized access.
- Follow all local laws and regulations regarding the use of firearmrelated tools.

Specific Safety Precautions for Use

- Use the bench block only for its intended purpose: installing or removing gas blocks on BRN4 or HK416 barrels.
- Do not use the bench block if it is damaged or shows signs of wear.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the bench block.
- Keep hands and other body parts away from moving parts during use.
- Do not exceed the recommended weight limits when using the bench block.
- Be cautious of sharp edges and points on tools and parts.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have all necessary tools and parts ready for your task.
- Inspect the bench block for any damage before use.

2. Using the Bench Block:

- Place the bench block on a stable, flat surface.
- Position the barrel securely in the bench block, ensuring it fits snugly.
- Use the integrated pockets to hold punches and pins as needed.
- If necessary, apply gentle pressure to install or remove the gas block, ensuring not to apply excessive force.
- Utilize the recessed pocket for roll pins to keep them secure during installation.

3. PostUse:

- After completing your task, carefully remove the barrel from the bench block.
- Clean the bench block to remove any debris or residue.
- Store the bench block in a safe location.

Disposal Instructions

- Dispose of the bench block in accordance with local regulations.
- If the bench block is damaged beyond repair, ensure it is disposed of in a way that prevents any potential hazards to the environment or individuals.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the BRN4/416 Barrel Bench Block, please refer to your local Brownells contact point or visit the Brownells website for more information.

By following these guidelines, you can help ensure your safety and the safety of others while using the BRN4/416 Barrel Bench Block. Thank you for your attention to these important safety instructions.
