

# AR-15 RG2-S M-LOK HANDGUARDS - BREEK ARMS 6.7" AR-15 RG2-S M-LOK HANDGUARD BLACK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Breek Arms mission is to provide quality parts at competitive prices. Our newly developed RG2-S (Rigid Rail Mod2 Skeletonized) Handguard line up is an evolution from our previous lineup. Our Patent Pending locking mechanism uses a wedge block system that puts equal pressure all the way around the barrel nut. This gives better harmonics and a much stronger mounting solution especially when putting pressure on the end using a bipod or sling. The Newly Released RG2-S handguards were developed with suppressor builds in mind, each length is designed to fit a common barrel length and leave room for all types of quick attach suppressor mounting solutions. The skeletonized design shaves as much weight as possible without sacrificing the integrity of the handguard. All edges are chamfered, blasted, then Type 3 Hardcoat anodized for a smooth finish.

## Attributes

- Name: [BREEK ARMS 6.7" AR-15 RG2-S M-LOK HANDGUARD BLACK](#)
- Manufacturer: [BREEK ARMS](#)
- Product no.: 430107007
- Mfr. No.: BRK1504
- Colour: Black
- Length: 6.7"
- Material: Aluminum
- Style: M-LOK
- Weapon type: AR-15
- Delivery weight: 0.29kg
- Shipping height: 51mm
- Shipping width: 67mm
- Shipping length: 184mm
- UPC: 812296030575

## Item details

Made in USA

US export classification: 0A501.y.1

# Safety Instruction Guide for AR15 RG2S MLOK Handguards

## Introduction

Thank you for choosing the AR15 RG2S MLOK Handguards from Breech Arms. We are committed to providing highquality parts that ensure safety and performance. This guide outlines essential safety instructions, usage precautions, and installation guidelines to help you use your handguards safely and effectively.

## General Safety Guidelines

- Ensure that all firearm components are compatible and correctly fitted before use.
- Always handle firearms with care and follow all local laws and regulations regarding firearms.
- Keep the handguards and all firearm parts out of reach of children and unauthorized users.
- Regularly inspect your handguards for any signs of damage or wear before each use.
- Report any unsafe products or incidents to local authorities immediately.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Compatibility Check:** Verify that the handguards are compatible with your AR15 model before installation.
- **Installation Safety:** Use appropriate tools for installation and avoid excessive force that could damage the handguard or firearm.
- **Weight Limitations:** Be mindful of the weight of accessories attached to the handguards to avoid compromising firearm stability.
- **Proper Handling:** When using a bipod or sling, ensure that pressure is evenly distributed to prevent any undue stress on the handguard.
- **Suppressor Use:** When using suppressors, confirm that the handguard length accommodates the suppressor and allows for proper attachment.
- **Inspection After Use:** After each use, inspect the handguards for any signs of damage or loosening that may require attention.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Gather all necessary tools, including a torque wrench and compatible mounting hardware.
- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing handguard, if applicable, by loosening the barrel nut.
- Place the RG2S handguard over the barrel nut and align it according to the manufacturer's instructions.
- Secure the handguard using the provided hardware, ensuring the wedge block system is properly engaged.
- Torque the mounting hardware to the manufacturer's specifications to ensure a secure fit.

### 2. Usage Guidelines:

- Always keep the firearm pointed in a safe direction when handling.
- Use the handguards for stabilizing the firearm during shooting, ensuring a firm grip.
- Avoid using excessive force or pressure that could compromise the integrity of the handguard.
- When attaching accessories, ensure they are securely fastened and do not exceed the handguard's weight capacity.

## **Disposal Instructions**

- Dispose of any damaged or unusable handguards in accordance with local regulations.
- Recycle materials where possible, following environmental guidelines for metal and plastic disposal.
- Do not dispose of handguards in regular household waste if they contain hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15 RG2S MLOK Handguards, please refer to the contact information provided with your product packaging or visit our website for more details.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your AR15 RG2S MLOK Handguards responsibly!
