

AR-15 RG2-S M-LOK HANDGUARDS - BREEK ARMS 9.7" AR-15 RG2-S M-LOK HANDGUARD BLACK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Breek Arms mission is to provide quality parts at competitive prices. Our newly developed RG2-S (Rigid Rail Mod2 Skeletonized) Handguard line up is an evolution from our previous lineup. Our Patent Pending locking mechanism uses a wedge block system that puts equal pressure all the way around the barrel nut. This gives better harmonics and a much stronger mounting solution especially when putting pressure on the end using a bipod or sling. The Newly Released RG2-S handguards were developed with suppressor builds in mind, each length is designed to fit a common barrel length and leave room for all types of quick attach suppressor mounting solutions. The skeletonized design shaves as much weight as possible without sacrificing the integrity of the handguard. All edges are chamfered, blasted, then Type 3 Hardcoat anodized for a smooth finish.

Attributes

- Name: [BREEK ARMS 9.7" AR-15 RG2-S M-LOK HANDGUARD BLACK](#)
- Manufacturer: [BREEK ARMS](#)
- Product no.: 430107008
- Mfr. No.: BRK1513
- Colour: Black
- Length: 9.7"
- Material: Aluminum
- Style: M-LOK
- Weapon type: AR-15
- Delivery weight: 0.367kg
- Shipping height: 51mm
- Shipping width: 67mm
- Shipping length: 311mm

Safety Instruction Guide for AR15 RG2S MLOK Handguards

Introduction

Thank you for choosing the AR15 RG2S MLOK Handguard from Breek Arms. This guide provides essential safety instructions to ensure the safe and effective use of your handguard. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the handguard is compatible with your AR15 model before installation.
- Always handle firearms and firearm accessories with care and follow all local laws and regulations.
- Keep the handguard and all firearm components out of reach of children and unauthorized users.
- Regularly inspect your handguard for any signs of damage or wear. Do not use if damaged.
- Use only approved accessories and parts with your handguard to maintain safety and functionality.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or removing the handguard.
- Use proper tools and follow the installation instructions to avoid injury.
- Avoid placing excessive pressure on the handguard during use, especially when using a bipod or sling.
- Be cautious when using suppressors; ensure proper attachment and alignment to prevent accidents.
- If you experience any unusual sounds or issues during use, cease operation immediately and inspect the handguard.

Instructions for Installation and Usage

1. Preparation

- Gather necessary tools: a torque wrench, Allen wrench set, and any other required tools specific to your firearm.
- Ensure that your workspace is clean and free of distractions.

2. Installation Steps

- Confirm that the firearm is unloaded and safe to handle.
- Remove the existing handguard, if applicable, by loosening the screws or clamps.
- Position the RG2S handguard over the barrel nut, ensuring that it aligns properly.
- Secure the handguard in place using the provided screws, applying even pressure to avoid warping.
- Use a torque wrench to tighten screws to the manufacturer's specified torque settings.
- Inspect the installation to ensure everything is secure and aligned correctly.

3. Usage Instructions

- Before firing, doublecheck that the handguard is securely attached.
- When using a bipod or sling, distribute pressure evenly to prevent stress on the handguard.
- Regularly check the handguard for tightness and integrity during use.

Disposal Instructions

- Dispose of the handguard responsibly if it becomes damaged or is no longer in use.
- Follow local regulations for the disposal of aluminum materials.
- If applicable, recycle components where possible.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the appropriate channels provided by your retailer or manufacturer.

By following these guidelines, you can ensure the safe and effective use of your AR15 RG2S MLOK Handguard. Thank you for prioritizing safety in your firearm practices.
