

ZERO M-SERIES SIZING DIES - AREA 419 ZERO M-SERIES 6.5MM PRC SIZING DIE W/ZERO SHELL HOLDER

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The ZERO M-Series Sizing die is the culmination of years of testing, research, trial, error, frustration, and finally, discoveries. As Reloaders, Area 419 knew they needed a die to do certain things, but as the makers of the ZERO Reloading Press, Area 419 also learned a huge amount about what other dies did well or did poorly, and what customers were struggling with on a daily basis. With the ZERO M-Series Sizing Die, Area 419 produced a sizing die that is capable of producing the finest, match-grade ammunition, as well as being user-friendly to new and learning reloaders. Sizing brass doesn't have to be complicated. It doesn't have to require years of trial and error. It just needs equipment, made with the end-user in mind, designed with the understanding that a die is part of an ecosystem of parts. A press, a die, the brass, the rifle – they all have to work together and be designed with one another in mind. This is that. Introducing, the ZERO M-Series Sizing Die. KEY FEATURES Micrometer Adjustable Headspace/Shoulder Bump Precision Ground Expander Mandrels (all dies ship with a .002 neck tension mandrel, or add more increments with Area 419's MANDREL KIT) Full-Length Neck to Extractor Sizing Spring Ejection for Spent Primers Replaceable Steel Decap Pins Reamer Cut to Exacting Dimensions for a TRUE Size (no more sticky bolt after the second firing) Hydraulic Shoulder Pressure Relief 100% Made in AMERICA All dies ship with an Area 419 ZERO Die Ring, a spare decapping pin and necessary install/removal tools. After testing them all, and finding everything Area 419 like and didn't like, and working with thousands of customers and a variety of industry partners, they believe this is what a sizing die should be. Area 419 think you'll agree. NOTE: THIS IS A 1-1/4" DIE, AND REQUIRES A HYBRID OR 1-1/4" TURRET ON YOUR ZERO (OR OTHER PRESS). IT CANNOT BE USED WITH A 7/8" TURRET OR OTHER 7/8" PRESS.

Attributes

- Name: [AREA 419 ZERO M-SERIES 6.5MM PRC SIZING DIE W/ZERO SHELL HOLDER](#)
- Manufacturer: [AREA 419](#)
- Product no.: 430107258
- Mfr. No.: 419-ZERODIE-M65PRCSH
- Cartridge: 6.5 PRC
- Die Style: Sizing Dies
- Delivery weight: 1.361kg
- Shipping height: 51mm
- Shipping width: 152mm
- Shipping length: 229mm
- UPC: 810080182011

Safety Instruction Guide for ZERO MSeries Sizing Die

Introduction

Thank you for choosing the ZERO MSeries Sizing Die. This product is designed to help you create highquality, matchgrade ammunition safely and effectively. Please read this safety instruction guide carefully to ensure proper use and maintenance of the die, and to understand the safety precautions necessary for your protection.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use. Ensure that you follow all instructions to minimize risks.
- **Enhanced Recalls:** Stay informed about any potential recalls. Check the EU Safety Gate platform for updates.
- **Online Shopping Safety:** If purchased online, ensure that the seller meets all safety requirements.
- **Vulnerable Groups:** Keep this product out of reach of children. It is not intended for use by individuals under the age of 18.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point.
- **Rapid Alerts:** Be aware of rapid alerts regarding unsafe products through the Safety Gate system.

Specific Safety Precautions for Use

- **Read the Manual:** Familiarize yourself with all instructions and safety warnings before using the die.
- **Wear Safety Gear:** Always wear appropriate personal protective equipment, including safety glasses and gloves.
- **Inspect the Die:** Before each use, inspect the die for any damage or wear. Do not use if damaged.
- **Proper Setup:** Ensure that the die is installed correctly on your reloading press. Follow the installation instructions carefully.
- **Correct Caliber:** Use only with the specified cartridge size (6.5 PRC) to avoid malfunction or injury.
- **Avoid Overpressure:** Never exceed recommended load limits when reloading ammunition.
- **Work Area:** Keep your work area clean and organized. Remove any unnecessary items to avoid accidents.
- **Supervision:** If you are new to reloading, seek guidance from an experienced reloader.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is compatible (11/4" turret required).
- Securely attach the ZERO MSeries Sizing Die to the press, ensuring it is tightened properly.
- Install the ZERO Die Ring and ensure it is seated correctly.

2. Usage:

- Prepare your brass by cleaning and inspecting it before sizing.
- Adjust the micrometer for headspace/shoulder bump settings as needed.
- Insert the brass into the die and operate the press smoothly to size the brass.
- Eject the sized brass and inspect for proper sizing.
- Store the die in a safe and dry place when not in use.

Disposal Instructions

- **Environmental Considerations:** Dispose of any damaged or worn components in accordance with local regulations.
- **Recycling:** Consider recycling metal parts when disposing of the die to reduce environmental impact.
- **Hazardous Waste:** If any components are deemed hazardous, follow local hazardous waste disposal guidelines.

Contact Information for Further Support

For any questions or concerns regarding the ZERO MSeries Sizing Die, please refer to the designated EU contact point for assistance. Always ensure that you seek help from authorized personnel for any technical support or safety inquiries.

By following these safety instructions, you can help ensure a safe and effective reloading experience with the ZERO MSeries Sizing Die. Thank you for your attention to safety, and happy reloading!
