

B-TM HEAT SHIELD FOR RUGER® 10/22 - SAMSON MANUFACTURING CORP B-TM HEAT SHIELD FOR RUGER 10/22 MATTE BLACK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The B-TM Heat Shield is the perfect addition for your Ruger® 10/22® rifle. This accessory adds instant tactical style to your Ruger® 10/22® rifle. Precision-contoured for a perfect fit, the Samson B-TM Heat Shield for the Ruger® 10/22® converts your favorite .22 into the ultimate Mini-14® look-alike. Easily and securely installs in minutes without gunsmithing using a single included screw. Plus it's a perfect complement to the B-TM Folding Stock equipped 10/22®. The B-TM Heat Shield will fit any Ruger® 10/22® with a factory carbine barrel and rear sight dovetail. NOTES: Installs on the 10/22® Takedown® model, but you lose take down functionality in the process. Requires removal of dovetail rear sight for installation. Aftermarket iron sights or optics that attach to the top of the receiver are necessary. FEATURES: Compatible with Ruger® 10/22® Carbine. Mimics look of Ruger® Mini-14® factory heat shield. Made of a durable injection molded glass filled polymer. Specifications: Material: polymer. Finish: matte black. Length: 8.375". Width: 1.15". Height: .55". Weight: 1.3 oz.

BTM Heat Shield Safety Instruction Guide

Introduction

Thank you for choosing the BTM Heat Shield for your Ruger® 10/22® rifle. This guide provides essential safety information and instructions to ensure the safe use and installation of your new accessory. Please read this guide thoroughly before using the product.

General Safety Guidelines

- Always treat your firearm with respect and ensure it is unloaded before installing or handling any accessories.
- Ensure that the BTM Heat Shield is compatible with your specific model of Ruger® 10/22®.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the heat shield for any signs of damage or wear before each use.
- If you experience any issues or concerns with the product, cease use immediately and consult a qualified professional.

Specific Safety Precautions for Use

- **Installation Warning:** The BTM Heat Shield is designed for installation on the Ruger® 10/22® Takedown® model; however, please note that you will lose the takedown functionality once the heat shield is installed.
- **Sight Removal:** The installation process requires the removal of the dovetail rear sight. Ensure that you have the necessary tools and skills to perform this task safely.
- **Iron Sights and Optics:** After installation, you will need aftermarket iron sights or optics that attach to the top of the receiver, as the original rear sight will no longer be in place.
- **Handling:** Avoid touching the heat shield when it is hot, as it may retain heat from the firearm.
- **Inspection:** Regularly check the installation to ensure that the heat shield remains secure and does not interfere with the operation of your firearm.

Instructions for Installation and Usage

1. **Preparation:** Ensure your Ruger® 10/22® rifle is unloaded and pointed in a safe direction.
2. **Remove the Rear Sight:**
 - Use appropriate tools to carefully remove the dovetail rear sight from your rifle.
 - Store the removed sight in a safe place for future use.
3. **Install the BTM Heat Shield:**
 - Align the heat shield with the barrel of the Ruger® 10/22®.
 - Secure the heat shield using the single included screw. Ensure it is tightened sufficiently to prevent movement.
4. **Reattach Sights:** If you have aftermarket sights or optics, install them according to the manufacturer's instructions.
5. **Final Check:** Inspect the installation to ensure everything is secure and functioning properly.

Disposal Instructions

- Dispose of the BTM Heat Shield in accordance with local regulations regarding plastic and polymer materials.
- Do not dispose of the product in regular household waste. Instead, look for designated recycling centers that accept polymer materials.

Contact Information for Further Support

For any inquiries or concerns regarding the BTM Heat Shield, please refer to the manufacturer's contact information provided with your product packaging. It is recommended to maintain this information for future reference.

Conclusion

By following these safety guidelines and instructions, you can ensure the safe and effective use of the BTM Heat Shield for your Ruger® 10/22® rifle. Always prioritize safety and seek professional assistance if you are unsure about any aspect of the installation or use of this product. Thank you for your attention to safety, and enjoy your enhanced shooting experience.
