

AR-15 ALG DEFENSE EMR V3X HANDGUARD - GEISSELE AUTOMATICS ALG DEFENSE EMR V3X 15" M-LOK HANDGUARD FOR AR-15 BLACK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

ALG Defense EMR V3X 15" Handguard The V3X M-LOK support allows the user to mount an array of third party accessories and customize their weapon platform to suit their needs. Magpul M-LOK accessories can be attached along the length of the rail at 2, 4, 6, 8 and 10 o'clock positions. The primary difference of the EMR V3X is its full-length M1913 picatinny rail at the 12 o'clock position. The machined M1913 section is ideal for attaching front sights, lasers, IR illuminators, lights and any other optic or sling related M1913 compatible accessory.

Safety Instruction Guide for AR15 ALG Defense EMR V3X Handguard

Introduction

Thank you for choosing the AR15 ALG Defense EMR V3X Handguard. This guide provides essential safety instructions and guidelines to ensure the safe usage and installation of your handguard. Please read this document carefully to understand how to use this product safely and effectively.

General Safety Guidelines

- Ensure that you are familiar with the operation of your AR15 platform before installing or using the handguard.
- Always handle firearms with care and follow all local laws and regulations regarding firearm usage and modifications.
- Store the handguard and any attached accessories in a safe location, out of reach of children and unauthorized users.
- Regularly inspect the handguard and any attached accessories for signs of wear or damage. Do not use if damaged.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Before installation, ensure the firearm is unloaded and the safety is engaged.
- Only use accessories that are compatible with the MLOK system and the M1913 picatinny rail.
- Avoid overtightening screws and fasteners during installation, as this may lead to damage or malfunction.
- Do not exceed the manufacturer's weight limit for mounted accessories to prevent structural failure.
- If you notice any unusual behavior or malfunction while using the handguard, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation Steps

1. **Preparation:** Ensure your AR15 is unloaded and the safety is engaged.
2. **Remove Existing Handguard:** If applicable, remove the existing handguard following the manufacturer's instructions.
3. **Attach the EMR V3X Handguard:**
 - Align the handguard with the receiver and ensure it fits securely.
 - Use the provided screws to fasten the handguard, ensuring they are tightened but not overtorqued.
4. **Install Accessories:** Attach MLOK compatible accessories at the desired positions (2, 4, 6, 8, and 10 o'clock).
5. **Final Inspection:** Check that all components are securely attached and that there is no movement.

Usage Guidelines

- Utilize the fulllength M1913 picatinny rail for mounting optics, lights, and other accessories as needed.
- Regularly check the tightness of all mounted accessories and the handguard itself.
- Follow the manufacturer's recommendations for any accessories used with the handguard.

Disposal Instructions

- Dispose of the handguard in accordance with local regulations regarding metal waste.
- If the handguard is damaged beyond repair, ensure it is safely disposed of to prevent accidental use.

Contact Information for Further Support

For any safety inquiries or further support regarding the AR15 ALG Defense EMR V3X Handguard, please reach out to your local retailer or the manufacturer.

By following these guidelines, you will help ensure a safe and enjoyable experience with your AR15 ALG Defense EMR V3X Handguard. Thank you for your attention to safety.
