# AR15 A1 Handguard Safety Instruction Guide

## Introduction

Thank you for choosing the AR15 A1 Handguard by LUTHAR. This guide provides essential safety instructions and guidelines to ensure the safe use of your handguard. Please read this manual carefully to understand how to handle, install, and maintain your product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always ensure that your firearm is unloaded before attaching or detaching the handguard.
- Inspect the handguard for any damage or defects before use.
- Use the handguard only for its intended purpose with compatible firearms.
- Keep the handguard away from children and unauthorized users.
- Regularly check for signs of wear and tear, especially the aluminum heat shields.
- Do not expose the handguard to extreme temperatures or harsh chemicals.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Heat Protection:** The aluminum heat shields are designed to protect against barrel heat. Do not touch the handguard immediately after firing as it may be hot.
- **Grip Security:** Ensure a firm grip on the handguard while handling the firearm to prevent slips or mishaps.
- **Installation Caution:** Follow the installation instructions carefully to avoid improper fitting that may lead to accidents.
- **Child Safety:** Store the firearm and handguard in a secure location out of reach of children.
- **Material Safety:** The handguard is made from Dupont Zytel 30% glass filled nylon. Avoid using it in conditions that exceed its material limitations.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Ensure the firearm is unloaded.
- Remove the existing handguard if applicable.
- Align the A1 handguard with the mounting points on your AR15.
- Securely attach the handguard by following the manufacturer's guidelines.
- Confirm that the handguard is properly fitted and does not move.

### 2. Usage Guidelines:

- Always maintain a proper shooting stance while using your firearm.
- Keep your fingers off the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure a safe shooting environment.
- After use, clean the handguard according to the manufacturer's recommendations.

## Disposal Instructions

- Dispose of the handguard in accordance with local regulations regarding plastic and nylon waste.
- Do not burn the handguard as it may release harmful fumes.
- If the handguard is damaged beyond repair, consider recycling it if possible.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the AR15 A1 Handguard, please consult the appropriate resources or contact your local dealer.

By following these guidelines, you can ensure a safe and enjoyable experience with your AR15 A1 Handguard. Thank you for your attention to safety.
