# Safety Instruction Guide for AR15 A2 Handguards

## Introduction

Thank you for choosing the AR15 A2 Handguards. This guide provides essential safety instructions and usage guidelines to ensure your product is used safely and effectively. Please read this document carefully before using the handguards.

## General Safety Guidelines

- Ensure that the handguards are compatible with your AR15 model before installation.
- Always handle firearms and firearm accessories with care and follow all local laws and regulations.
- Keep the handguards out of reach of children and unauthorized users.
- Inspect the handguards regularly for any signs of damage or wear.
- Do not modify the handguards in any way that could compromise their integrity or safety.
- If you experience any issues with the handguards, discontinue use immediately and seek professional assistance.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper installation may lead to malfunction or injury.
  - Using incompatible accessories may pose safety risks.
- **To Avoid Hazards:**
  - Follow the installation instructions precisely.
  - Use only compatible accessories designed for the AR15 platform.
  - Ensure the firearm is unloaded before installing or handling the handguards.
- **Age Warning:**
  - These handguards are intended for use by individuals 18 years and older. Keep away from children.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Remove the existing handguards by pushing the delta ring down and sliding the old handguards off.
- Align the new AR15 A2 handguards with the mounting points.
- Slide the handguards into place and ensure they lock securely.
- Check for any movement or looseness before use.

### 2. Usage:

- Always ensure your firearm is in a safe condition before handling.
- Use the handguards to stabilize your grip while aiming or firing.
- Regularly check the handguards for tightness and integrity during use.

## Disposal Instructions

- Dispose of any damaged or worn handguards in accordance with local regulations.
- Do not incinerate the handguards as they may release harmful substances.
- Consider recycling the materials where possible.

## Contact Information for Further Support

For safety inquiries or to report unsafe products, please contact the appropriate EU-based authorities or visit the Safety Gate platform for updates on product recalls and safety alerts.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
