MBA-3 CARBINE BUTTSTOCK W/308/7.62 BUFFER ASSEMBLY

BLACK

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

The MBA-3 adjustable Rifle Buttstock Assembly is a complete kit that includes everything you need to assemble a carbine buffer system on your .308/7.62 AR lower. The kit includes an MBA-3 Buttstock that features a 3-Axis Buttplate with Length-of-Pull adjustment as well as Height and Lateral adjustments, and an adjustable Cheek Rise in a lightweight, affordable carbine buttstock. Comes complete with Mil-Spec 6-position carbine Buffer Tube, .308/7.62 Buffer, .308/7.62 Buffer Spring, Latch Plate and Lock Ring. The modular design of the MBA Buttstock allows you to configure your buttstock to your specific and personal needs. Built-in rail attachment for attaching a monopod. The MBA features multiple attachment points for a sling, including molded pockets that will accept Grovtec QD cups, sold separately.

Safety Instruction Guide for MBA3 Buttstock with 223/5.56 Buffer Assembly

Introduction

Thank you for choosing the MBA3 Buttstock with 223/5.56 Buffer Assembly. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your product. Please read this manual carefully before using the product.

General Safety Guidelines

- Ensure that the product is used in accordance with all applicable laws and regulations.
- Always handle firearms and related accessories responsibly and with care.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear. Do not use if damaged.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or detaching the buttstock.
- Use only compatible firearms with the MBA3 Buttstock to avoid potential hazards.
- Follow the manufacturer's instructions for installation to prevent improper use.
- Do not modify the product in any way that could compromise its safety.
- Be aware of the surroundings when handling firearms to prevent accidents.
- Avoid using the product under adverse conditions, such as extreme temperatures or moisture.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure that your firearm is unloaded and in a safe condition.
2. **Remove Existing Buttstock:** If applicable, remove the old buttstock from your AR15 lower receiver.
3. **Install Buffer Tube:**
 - Insert the MilSpec 6position buffer tube into the lower receiver.
 - Secure the buffer tube using the latch plate and lock ring included in the kit.
4. **Attach the MBA3 Buttstock:**
 - Slide the MBA3 Buttstock onto the buffer tube.
 - Adjust the length of pull using the 3Axis Buttplate adjustment feature.
5. **Check Stability:** Ensure that the buttstock is securely attached and does not wobble.

Usage

- Adjust the height and lateral settings as needed for your comfort and shooting style.
- Utilize the adjustable cheek rise for proper alignment with your sight.
- Attach a sling to the designated attachment points for secure carrying.
- If using the builtin rail for a monopod, ensure it is securely fastened before use.

Disposal Instructions

- Dispose of the product in accordance with local regulations for plastic and electronic waste.
- Do not dispose of the product in household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For questions or concerns regarding the MBA3 Buttstock, please refer to the manufacturer's website or customer support services.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your MBA3 Buttstock. Thank you for your attention to safety.
