# AR15 Ambidextrous Selector/Safety Switch Safety Instructions

## Introduction

Thank you for your purchase of the AR15 Ambidextrous Selector/Safety Switch by LUTHAR. This product is designed to enhance the safety and functionality of your firearm. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure the selector/safety switch is in the "safe" position when not in use.
- Keep the firearm pointed in a safe direction at all times.
- Store your firearm and accessories in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the selector/safety switch for wear or damage before use.
- Follow all local laws and regulations regarding firearm safety and usage.

## Specific Safety Precautions for Use

- Ensure that the selector/safety switch is compatible with your AR15 model before installation.
- Only use the selector/safety switch as intended; do not modify the product.
- Be aware of your surroundings and ensure a clear area when operating the firearm.
- Do not attempt to operate the selector/safety switch with excessive force; it is designed for smooth operation.
- If you experience any malfunction or irregularity, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

1. **Gather Tools:** Ensure you have the necessary tools for installation, including a punch and hammer.
2. **Unload Firearm:** Ensure your AR15 is completely unloaded before beginning installation.
3. **Remove Existing Selector:** Use the punch to carefully remove the existing selector from the firearm.
4. **Install Ambidextrous Selector/Safety Switch:**
  - Align the new selector with the safety mechanism.
  - Insert the selector into the appropriate position and ensure it is securely in place.
5. **Test Functionality:** Before using the firearm, test the selector/safety switch to ensure it operates smoothly in both "safe" and "fire" modes.

### Usage

- To switch from "safe" to "fire":
  - Gently push the selector to the "fire" position.
- To switch from "fire" to "safe":
  - Gently push the selector back to the "safe" position.
- Always ensure the firearm is pointed in a safe direction when switching between modes.

## Disposal Instructions

- When disposing of the AR15 Ambidextrous Selector/Safety Switch, follow local regulations regarding the disposal of firearm accessories.

- If the product is damaged or no longer usable, consider recycling materials where applicable.
- Do not dispose of the selector/safety switch in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15 Ambidextrous Selector/Safety Switch, please contact the manufacturer directly. Ensure you have your product details ready for a more efficient response.

By following these guidelines, you help ensure your safety and the safety of others while using your AR15 Ambidextrous Selector/Safety Switch. Thank you for prioritizing safety.
