[Shotgun Parts](#) > [Choke Tubes & Accessories](#) > [Choke Tubes](#)

WINCHESTER PORTED LONG BEARD TURKEY CHOKE TUBES Carlson's Long Beard Turkey Choke! This choke tube has been specially designed to produce the best patterns when shooting Winchester's New Long Beard Turkey loads. This new ammunition features Shot-Lok Technology that allows for the tightest patterns and longer downrange reach over any lead turkey load on the market. Pair this ammunition's capabilities with the new Carlson's Long Beard Turkey Choke and you have a devastating, gobbler-killing combination. This tom-dropping dynamic duo serves-up 10% greater penetration over standard lead shot at distances of more than 50 yards, terminal on-target performance and allows nearly perfectly round shot to be thrown from the barrel for extremely tight, long-range patterns. When you head to the turkey woods, give yourself better reach and down-range performance by using Carlson's Long Beard Turkey Choke with your Winchester Long Beard Shotgun Loads. It's a killer combination that's sure to drop that big old gobbler when the music stops. Carlson's Choke Tubes are backed by a LIFETIME WARRANTY and MADE IN THE USA! \*No Steel Shot Larger than #4 may be used in Carlson's Turkey Choke Tubes NOTE: Winchester SX-2, SX-3, SX-4 & SXP use Browning Invector Plus Tubes There can be several styles of chokes used by a number of shotgun manufacturers.

# Safety Instruction Guide for Carlson's Ported Long Beard Turkey Choke Tube

## Introduction

Thank you for choosing the Carlson's Ported Long Beard Turkey Choke Tube for Winchester. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this manual carefully before using the choke tube and keep it for future reference.

## General Safety Guidelines

- Ensure that the choke tube is compatible with your shotgun model before installation.
- Always check that the firearm is unloaded before installing or removing the choke tube.
- Use only the recommended ammunition with this choke tube, specifically Winchester Long Beard Turkey loads.
- Do not use steel shot larger than #4 in the Carlson's Turkey Choke Tubes.
- Keep the choke tube and all associated equipment out of reach of children.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

## Specific Safety Precautions for Use

- **Installation Precautions:**

- Ensure the shotgun is pointed in a safe direction before installing or removing the choke tube.
- Use a choke tube wrench to install or remove the choke tube to avoid injury.

- **Ammunition Compatibility:**

- Only use Winchester Long Beard Turkey loads with this choke tube to achieve optimal performance.
- Do not use any ammunition that exceeds the specified limits, as this may cause damage to the choke tube or firearm.

- **Shooting Precautions:**

- Always verify that the choke tube is securely installed before shooting.
- Avoid shooting at hard surfaces or water to prevent ricochets.
- Do not shoot at game animals unless you are sure of a clear shot.

- **Maintenance Precautions:**

- Regularly inspect the choke tube for any signs of damage or wear.
- Clean the choke tube according to the manufacturer's instructions to ensure optimal performance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Use the choke tube wrench to unscrew the existing choke tube (if applicable).
- Take the Carlson's Ported Long Beard Turkey Choke and screw it into the muzzle of the shotgun.

- Tighten securely using the choke tube wrench, but do not overtighten.

## **2. Usage:**

- Load your shotgun with the recommended Winchester Long Beard Turkey loads.
- Make sure the safety is engaged until you are ready to shoot.
- Aim at your target and disengage the safety to fire.

## **3. PostUse:**

- After shooting, clean the choke tube and store it in a safe place.
- Always check the choke tube for any signs of damage before the next use.

## **Disposal Instructions**

- Dispose of the choke tube in accordance with local regulations.
- Do not dispose of the choke tube in regular household waste.
- Contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Carlson's Ported Long Beard Turkey Choke Tube, please refer to the manufacturer's website or customer service resources for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience while using the Carlson's Ported Long Beard Turkey Choke Tube. Always prioritize safety and adhere to local laws and regulations regarding firearm use. Thank you for your attention to these guidelines.
