

# PORTED LONG BEARD TURKEY FOR BROWNING INVECTOR PLUS CHOKE TUBES - CARLSONS PORTED LONG BEARD 20 GA TURKEY FOR BROWNING INV. PLUS BLK

[Shotgun Parts](#) > [Choke Tubes & Accessories](#) > [Choke Tubes](#)

Carlson's Long Beard Turkey Choke! This choke tube has been specially designed to produce the best patterns when shooting Winchester's New Long Beard Turkey loads. This new ammunition features Shot-Lok Technology that allows for the tightest patterns and longer downrange reach over any lead turkey load on the market. Pair this ammunition's capabilities with the new Carlson's Long Beard Turkey Choke and you have a devastating, gobbler-killing combination. This tom-dropping dynamic duo serves-up 10% greater penetration over standard lead shot at distances of more than 50 yards, terminal on-target performance and allows nearly perfectly round shot to be thrown from the barrel for extremely tight, long-range patterns. When you head to the turkey woods, give yourself better reach and down-range performance by using Carlson's Long Beard Turkey Choke with your Winchester Long Beard Shotgun Loads. It's a killer combination that's sure to drop that big old gobbler when the music stops. \*No Steel Shot Larger than #4 may be used in Carlson's Turkey Choke Tubes Carlson's Choke Tubes are backed by a LIFETIME WARRANTY and MADE IN THE USA!

# Safety Instruction Guide for Carlson's Ported Long Beard Turkey Choke

## Introduction

Thank you for choosing Carlson's Ported Long Beard Turkey Choke. This guide provides essential safety instructions and usage information to ensure a safe and effective experience. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the choke tube is compatible with your shotgun model, specifically Browning Invector Plus.
- Always handle firearms and accessories with care. Treat every firearm as if it is loaded.
- Keep the choke tube and all related products out of reach of children and unauthorized users.
- Do not use steel shot larger than #4 in this choke tube to avoid potential safety hazards.
- Regularly inspect the choke tube for any signs of damage or wear before use.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

## Specific Safety Precautions for Use

- **Compatibility:** Ensure that you are using the choke tube with a Browning Invector Plus shotgun. Using it with incompatible firearms may lead to malfunctions or accidents.
- **Ammunition:** Only use Winchester Long Beard Turkey loads with ShotLok Technology for optimal performance. Avoid using other types of ammunition that may not be compatible.
- **Installation:** Always ensure that the choke tube is securely installed before firing. A loose choke tube can lead to dangerous malfunctions.
- **Shooting Environment:** Choose a safe shooting location, free from obstructions and away from populated areas. Always be aware of your surroundings.
- **Protective Gear:** Wear appropriate protective gear, including eye and ear protection, when shooting.

## Instructions for Installation and Usage

### Installation

1. **Ensure Safety:** Make sure the shotgun is unloaded and pointed in a safe direction.
2. **Remove Existing Choke (if applicable):** Use a choke wrench to remove the existing choke tube by turning it counterclockwise.
3. **Insert New Choke:** Align the Carlson's Ported Long Beard Turkey Choke with the threads of the barrel. Turn the choke tube clockwise until it is handtight.
4. **Secure the Choke:** Use the choke wrench to tighten the choke tube securely, but do not overtighten.
5. **Check Installation:** Ensure the choke is properly installed by visually inspecting it and ensuring it is snug.

### Usage

1. **Load Your Shotgun:** Use only Winchester Long Beard Turkey loads with ShotLok Technology.
2. **Prepare for Shooting:** Ensure you are in a safe shooting position. Check your target and surroundings.
3. **Fire Your Shotgun:** Follow standard firearm safety practices while shooting. Always keep the muzzle pointed in a safe direction.
4. **PostShooting:** After shooting, inspect the choke tube for any signs of damage or wear. Clean as necessary.

## **Disposal Instructions**

- Dispose of the choke tube in accordance with local regulations regarding firearm accessories.
- If the choke tube is damaged or no longer usable, do not attempt to repair it. Dispose of it responsibly to prevent accidental use.

## **Contact Information for Further Support**

For any safety inquiries or support regarding Carlson's Ported Long Beard Turkey Choke, please refer to the contact information provided with your product or visit the manufacturer's website for assistance.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your Carlson's Ported Long Beard Turkey Choke. Always prioritize safety and responsible usage when handling firearms and accessories. Thank you for your attention to these important safety measures.
