

TOMAHAWK II LPVO 1-4X24MM SFP ILLUMINATED RIFLE SCOPE - SWAMPFOX OPTICS TOMAHAWK II LPVO 1-4X24MM SFP ILLUMINATED RED BFO BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

Tomahawk II represents the next generation of Swampfox's Second Focal Plane LPVO line, designed with direct input from the end users. With increased optical performance in mind, Tomahawk II is designed for ease of use with a forgiving eye box and expansive field of view. The Tomahawk II comes with red or green BDC or the new BFO (Bright Fiber Optic) reticles. This LPVO, housed in a 30mm tube and includes push/pull locking elevation with zero reset, capped windage and 12 illumination settings with intermittent off positions. Clarity and universal application are key for the Tomahawk II series.

Safety Instruction Guide for TOMAHAWK II LPVO 14X24MM SFP ILLUMINATED RIFLE SCOPE

Introduction

Thank you for choosing the TOMAHAWK II LPVO 14X24MM SFP ILLUMINATED RIFLE SCOPE from Swampfox Optics. This guide provides essential safety instructions to ensure the safe and effective use of your rifle scope. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the rifle scope is used only for its intended purpose, which is to enhance the accuracy of your firearm.
- Handle the scope with care to avoid damage that could impair its function.
- Always follow local laws and regulations regarding the use of firearms and optical equipment.
- Keep the scope out of reach of children and unauthorized users.
- Regularly inspect the scope for any signs of damage or malfunction before use.
- If you experience any issues with the scope, cease use immediately and consult a professional.

Specific Safety Precautions for Use

- Do not look directly at the sun through the scope, as this can cause permanent eye damage.
- Ensure that the scope is properly mounted and securely fastened to your firearm to prevent accidents.
- Avoid using the scope in extreme weather conditions that may impair visibility or damage the equipment.
- Do not attempt to disassemble or modify the scope, as this may void the warranty and compromise safety.
- Use the illumination feature responsibly, ensuring that it does not distract you or others in your vicinity.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded before attaching the scope.
- Mount the scope onto the firearm's rail using the provided mounting rings or base.
- Tighten the screws securely, but avoid overtightening, which may damage the scope or the firearm.
- Confirm that the scope is level and aligned with the barrel.

2. Usage:

- Adjust the magnification by rotating the magnification ring to the desired level (1x to 4x).
- Use the eye relief feature to position the scope at a comfortable distance from your eye.
- Adjust the elevation and windage turrets to zero the scope according to your shooting needs.
- Utilize the illumination settings for optimal visibility in various lighting conditions.

Disposal Instructions

- Dispose of the scope in accordance with local regulations regarding electronic waste and optical materials.
- Do not dispose of the scope in regular household waste.
- If the scope is damaged beyond repair, contact your local waste management facility for guidance on proper disposal.

Contact Information for Further Support

For any questions or concerns regarding the TOMAHAWK II LPVO 14X24MM SFP ILLUMINATED RIFLE SCOPE, please refer to the manufacturer's website or contact the retailer from whom you purchased the product.

By following these safety instructions, you can ensure a safe and enjoyable experience with your TOMAHAWK II LPVO rifle scope. Thank you for your attention to safety.
