

# RAIDER 1X MICRO PRISM SIGHT - SWAMPFOX OPTICS RAIDER 1X GREEN 6 MOA RETICLE MICRO PRISM SIGHT BLACK

[Optics & Mounting](#) > [Electronic Sights](#) > [Red Dot Sights](#)

Introducing the Swampfox Raider, a versatile 1x20 micro prism with an expansive eye relief for fast and clear sight acquisition. Using the Bullet Rise Compensating reticle from our Blade prism, Raider has CQB at its heart. Featuring a T-2 footprint for incredible versatility between mounting platforms. This micro prism sets itself apart with a die-cast zinc alloy body presenting a truly tough housing capable of taking hits without loss of function. Available with red and green illumination, Raider's etched reticle appears black when the illumination is off. Shake N' Wake motion-sensing auto on/off saves battery life and is perfect for home defense. If you have an issue running a standard red dot, Raider is for you.?

# Safety Instruction Guide for RAIDER 1X MICRO PRISM SIGHT

## Introduction

Thank you for choosing the Swampfox Raider 1X Micro Prism Sight. This product is designed to enhance your shooting experience with its advanced features and robust construction. To ensure your safety and the proper functioning of this product, please read this safety instruction guide carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow local laws and regulations regarding the use of optical sights.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check the product for any signs of damage or wear.
- In case of any malfunction, stop using the product immediately and seek professional assistance.
- Report any unsafe product incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection when using firearms equipped with this sight.
- **Mounting:** Ensure that the sight is securely mounted to avoid any accidents during use.
- **Illumination:** Be cautious when using the illumination feature. Adjust brightness settings according to lighting conditions.
- **Battery Safety:** Use only the specified battery type (CR 2032) to avoid damage. Do not attempt to recharge nonrechargeable batteries.
- **Environmental Considerations:** Avoid exposing the sight to extreme temperatures or harsh conditions that may affect its performance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Select a suitable mounting platform that is compatible with the T2 footprint of the Raider sight.
- Securely attach the sight to the mounting platform using the provided screws. Ensure it is tight and stable.

### 2. Usage:

- Before using the sight, familiarize yourself with its features and settings.
- Adjust the reticle brightness according to your environment using the brightness adjustment controls.
- Utilize the Shake N' Wake feature for automatic activation when the sight is moved.
- Always check the zeroing of the sight before use to ensure accuracy.

### 3. Maintenance:

- Regularly clean the lens with a soft, lintfree cloth to maintain clarity.
- Store the sight in a dry and cool place when not in use to prevent damage.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste.
- Remove the battery before disposal and recycle it according to local battery disposal guidelines.
- Do not dispose of the product in household waste.

## Contact Information for Further Support

For further assistance or inquiries regarding safety information, please refer to the manufacturer's official website or contact customer support.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Swampfox Raider 1X Micro Prism Sight. Thank you for your attention to safety.
