[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

A Trim, Maneuverable Barrel With Nearly Match-Grade Accuracy Potential

The Faxon Firearms Big Gunner .308 continue their fantastic barrel-making with a bit more punch. They have updated their previous Medium-Taper profile taking into account customer feedback, optimizing the barrel to meet the Gunner brand's high standards. The .308 Big Gunner profile barrels are the big-brother to our famous 5.56 Gunner barrels. The Big Gunners feature a medium-taper behind the gas block. The gas block journal is set to .750" for compatibility with most common gas blocks and 1.9" in length for long blocks or aftermarket piston kits. From the gas block journal forward we use a thinner taper, designed to reduce weight yet maintain rigidity for high rates of fire and as a suppressor host. The Gunner barrels are ideal for any competition or duty use. When the seconds count, count on the Gunner profile. SPECS 2Barrel Material: 4150 CMV Barrel Type: Button Rifled Barrel Caliber: .308 WIN Barrel Twist: 1:10 Barrel Length: 13.9" to 20" Barrel Profile: Big Gunner Barrel Gas System: Rifle Inside Finish: Salt Bath Nitride Outside Finish: Salt Bath Nitride Muzzle Thread: 5/8x24 TPI Gas Block Diameter: .750" Gas Block Journal Length: 1.9" Barrel Extension: LR-308 (DPMS Compatible) Weight: 1.8 to 2.24 lbs depending on barrel length Magnetic Particle Inspected 11-degree Target Crown Gun Tech Note: Faxon highly recommends properly checking the head space between your barrel and bolt before firing your new barrel. Safety Instruction Guide for DUTY 308 WINCHESTER BIG GUNNER PROFILE RIFLE BARRELS

Introduction

Thank you for choosing the Faxon Firearms DUTY 308 WINCHESTER BIG GUNNER PROFILE RIFLE BARREL. This product is designed for high performance and durability in various shooting applications. However, it is essential to follow safety guidelines to ensure safe usage and to maximize the performance of your rifle barrel. This guide provides important safety information, installation instructions, and disposal guidelines to help you use this product safely and effectively.

General Safety Guidelines

- Always handle firearms and firearm components with care. Treat every firearm as if it is loaded.
- Ensure that you are familiar with the laws and regulations regarding firearms in your area.
- Store the barrel and all firearm components securely and out of reach of children.
- Wear appropriate safety gear, including eye and ear protection, when using firearms.
- Regularly inspect your barrel and firearm for signs of wear or damage. Do not use damaged components.
- Ensure that you use the correct ammunition type for your barrel to prevent malfunctions or accidents.
- Follow the manufacturer's instructions for installation and usage carefully.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Check headspace between the barrel and bolt before firing. Use PTG headspace gauges for accurate measurement.
- Ensure that the gas block journal is compatible with your gas block size (.750").
- Be aware that the thinner taper design of the barrel is optimized for weight reduction but maintains rigidity for high rates of fire.
- When using the barrel as a suppressor host, ensure that all components are rated for suppressor use.
- Keep the barrel clean and free from obstructions before and during use.
- If you experience any malfunctions, cease use immediately and inspect the barrel and firearm for issues.

Instructions for Installation and Usage

1. Installation:

- Ensure that your work area is clean and free from distractions.
- Gather all necessary tools and components before beginning installation.
- Follow these steps for installation:
 - Remove the existing barrel from your rifle according to the manufacturer's instructions.
 - Align the new DUTY 308 WINCHESTER BIG GUNNER PROFILE RIFLE BARREL with the upper receiver.
 - Secure the barrel extension (LR308 compatible) in place.
 - Attach the gas block and ensure it is properly aligned and secured.
 - Install the muzzle device and ensure it is tightened to the manufacturer's specifications.

2. Usage:

- Confirm that your rifle is unloaded before handling.
- Load the appropriate .308 WIN ammunition into the magazine.

- Ensure that the gas system is properly set up for the intended use (Rifle length).
- Fire the rifle in a safe and controlled environment, adhering to all local laws and regulations.

Disposal Instructions

- Dispose of any damaged or wornout barrels in accordance with local regulations.
- Do not dispose of firearms or firearm components in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the DUTY 308 WINCHESTER BIG GUNNER PROFILE RIFLE BARREL, including safety inquiries, please reach out to the manufacturer directly.

By following these guidelines, you can ensure a safe and enjoyable experience with your Faxon Firearms DUTY 308 WINCHESTER BIG GUNNER PROFILE RIFLE BARREL. Thank you for prioritizing safety and responsible firearm usage.
